

PROGRAM ALUMNI QUALIFY FOR NONCOMPETITIVE ELIGIBILITY AFTER COMPLETING ONE YEAR OF SERVICE

“After my year of service, I was able to successfully leverage my noncompetitive eligibility to join my agency. There are so many agencies that use noncompetitive eligibility to hire VISTA alumni outside of the formal competitive job announcement process.”

Anne Oti
VISTA 2015-16

Noncompetitive eligibility allows U.S. federal government agencies to hire AmeriCorps VISTA alumni without having to go through the competitive hiring process.

After successfully serving 12 months in AmeriCorps VISTA, this hiring status allows you to fast track into federal government service.

This status does not guarantee you a job within the federal government. You must still apply and meet qualification standards and additional requirements, such as a background investigation.
