The recipient is legally accountable to CNCS for the use of award funds and is bound by the provisions of the award. The recipient is responsible for ensuring that subrecipients or other organizations carrying out activities under this award comply with all applicable Federal requirements, including the CNCS General Terms and Conditions, these specific terms and conditions, regulations applicable to the program, and the NCSA.
- B. **Subrecipient** refers to an organization receiving award funds from a recipient of CNCS funds. See 2 CFR § 200.93.
- C. **Program** refers to the activities supported under the award.
- D. **NCSA** means the National and Community Service Act of 1990, as amended. See 42 U.S.C. §§ 12501-12657.

III. BUDGET AND PROGRAMMATIC CHANGES

- A. **Programmatic Changes.** The recipient must first obtain the prior written approval of the Program Office before making any of the following changes:

1. Changes in the scope, objectives or goals of the program, whether or not they involve budgetary changes.
2. Entering into subawards or contracts for activities funded by the award, but not identified or included in the approved application and/or award.

B. Budgetary Changes. The recipient must obtain the prior written approval of CNCS's Office of Grants Management before deviating from the approved budget in any of the following ways:

1. Specific Costs Requiring Prior Approval before Incurrence under the uniform administrative requirement, cost principles, and audit requirements for Federal awards at 2 CFR Parts 200 and 2205. Certain cost items in 2 CFR Parts 200 and 2205 require approval of the awarding agency for the cost to be allowable such as pre-award costs. Please ensure you consult the regulations prior to incurring costs to ensure allowability.
2. Purchases of Equipment over \$5,000, unless specified in the approved application and budget.
3. Unless the CNCS share of the award is \$100,000 or less, changes to cumulative and/or aggregate budget line items that amount to 10 per cent or more of the total budget must be approved in writing in advance by CNCS. The total budget includes both the CNCS and recipient shares. Recipients may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.

C. Approvals of Programmatic and Budget Changes. CNCS's Grants Officers are the only officials who have the authority to alter or change the terms and conditions or requirements of the award. Grants Officers will execute written amendments, and recipients should not assume approvals have been granted unless documentation from the Grants Office has been received. Programmatic changes also require final approval of CNCS's Office of Grants Management after written recommendation for approval is received from the Program Office.

V. AWARD PERIOD AND INCREMENTAL FUNDING

For the purpose of the award, the project period is the complete length of time the recipient is proposed to be funded to complete approved activities under the award. A project period may contain one or more budget periods. A budget period is a specific interval of time for which Federal funds are being provided to fund a recipient's approved activities and budget.

Unless otherwise specified, the award covers a three-year project period. In approving a multi-year project period, CNCS generally makes an initial award for the first year of operation. Additional funding is contingent upon satisfactory performance, a recipient's demonstrated capacity to manage an award and comply with award requirements, and the availability of Congressional appropriations. CNCS reserves the right to adjust the amount of an award, or elect not to continue funding for subsequent years. The project period and the budget period are noted on the award document.

VI. PROGRAM INCOME

- A. **General.** Income, including fees for service earned as a direct result of the award-funded program activities during the award period, must be retained by the recipient and used to finance the award's non-CNCS share.
- B. **Excess Program Income.** Program income earned in excess of the amount needed to finance the recipient share must follow the appropriate requirements of 2 CFR Part 200 and be deducted from total claimed costs. Recipients that earn excess income must specify the amount of the excess on the financial report.
- C. **Fees for Service.** When using assistance under this award, the recipient may not enter into a contract for or accept fees for service when:

1. The service benefits a for-profit entity,
