IV. BUDGET AND PROGRAMMATIC CHANGES

A. Programmatic Changes. The recipient must first obtain the prior written approval of the AmeriCorps Portfolio Manager before making any of the following changes (1-3):

1. Changes in the scope, objectives or goals of the program, whether or not they involve budgetary changes;
2. Entering into subawards or contracts for activities funded by the award, but not identified or included in the approved application and award budget;
3. Upon notification to the AmeriCorps Portfolio Manager, recipients may make programmatic changes due to, or in response to, an officially declared state or national disaster without written approval from AmeriCorps. As soon as practicable, recipients making disaster-related programmatic changes must discuss the performance measure adjustments and other AmeriCorps grant requirements with the AmeriCorps Portfolio Manager. While written approval from AmeriCorps not required before making disaster-related programmatic changes, AmeriCorps reserves the right to limit or deny disaster-related programmatic changes, including disallowing costs associated with the disaster related activities.

B. Budgetary Changes. The recipient must obtain the prior written approval of AmeriCorps' Portfolio Manager before deviating from the approved budget in any of the following ways:

1. Specific Costs Requiring Prior Approval before Incurrence under the uniform administrative requirement, cost principles, and audit requirements for Federal grants at 2 CFR § 200.407. Certain cost items in 2 CFR § 200.407 require prior written approval of the awarding agency for the cost to be allowable such as pre-award costs. Please ensure you consult the regulations prior to incurring costs to ensure allowability.

2. Purchases of Equipment over \$5,000 using grant funds, unless specified in the approved application and budget.
3. Unless the AmeriCorps share of the grant is \$100,000 or less, changes to cumulative and/or aggregate budget line items that amount to 10 percent or more of the total budget must be approved in writing in advance by AmeriCorps. The total budget includes both the AmeriCorps and recipient shares. Recipients may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.

C. Approval of Programmatic and Budget Changes. AmeriCorps’ Portfolio Managers are the only officials who have the authority to alter or change the terms and conditions or requirements of the award. Portfolio Managers will execute written amendments and recipients should not assume approvals have been granted unless documentation from AmeriCorps’ Office of Grant Administration (OGA) has been received via a Notice of Grant Award. Programmatic changes also require final approval of AmeriCorps’ OGA after written recommendation for approval is received from the Portfolio Manager.

V. REPORTING REQUIREMENTS

The recipient is responsible for setting submission deadlines for its respective subrecipients to ensure the timely submission of recipient reports.

Extensions of deadlines for reports may only be granted by the AmeriCorps Portfolio Manager, as appropriate.

VI. AWARD PERIOD AND INCREMENTAL FUNDING

A project period may contain one or more budget periods. A budget period is a specific interval of time for which Federal funds are provided to fund a recipient's approved activities and budget.

Unless otherwise specified, the award covers a three-year project period. In approving a multiyear project period, AmeriCorps generally makes an initial award for the first year of operation. Additional funding is contingent upon satisfactory performance, a recipient's demonstrated capacity to manage an award and comply with award requirements, and the availability of Congressional appropriations. AmeriCorps reserves the right to adjust the amount of an award or elect not to continue funding for subsequent years. The project period and the budget period are noted on the award document.

VII. PROGRAM INCOME

- B. Excess Program Income.** Program income earned in excess of the amount needed to finance the recipient share must follow the appropriate requirements of 2 CFR § 200.307(e)(1) and be deducted from total claimed costs. Recipients that earn excess income must specify the amount of the excess on the financial report.
- C. Fees for service.** When using assistance under this grant, the recipient may not enter into a contract for or accept fees for service performed under the award when:
 - 1. The service benefits a for-profit entity;
 - 2. The service falls within the other prohibited activities set forth in statute, regulation, or these grant terms and conditions, or

3. The service violates the provisions of 42 U.S.C. § 12637 - Nonduplication and Nondisplacement.
