See Appendix F: Cost per Volunteer Calculator for more information.

Answers to Frequently Asked Questions

Answers to Frequently Asked Questions

Can two or more organizations jointly apply for one grant?

No. One organization must be identified as the sponsor organization. Other organizations can become volunteer stations but would not be considered the grantee. AmeriCorps Seniors does not allow sub-awards.

Answers to Frequently Asked Questions

How do I know if our agency should apply?

Suggested ways to assess:

- 1) Do you meet the eligibility requirements in section C.1. Eligibility? **If yes, consider applying.**
- 2) Can you demonstrate Education support is needed in your community, and your agency is able to meet this need? **If yes, apply.**
- 3) Are you able to identify one of the other priority areas will be addressed in your application? **If yes, apply. If no, but yes to question 1, then apply. If no to both, then no.**
- 4) Does data show that there are older adults (aged 55+) in your community that are capable and interested in service? **If yes, then apply.**

Answers to Frequently Asked Questions

If the geographic area I wish to serve is not listed in Appendix A; can I apply for that service area?

Yes. Applicants are not limited to apply to serve areas in this list of states and territories, but AmeriCorps Seniors is prioritizing projects that designate geographic service areas operating in these states and territories due to relinquishments.

Answers to Frequently Asked Questions

What ages group can our AmeriCorps Seniors Foster Grandparent volunteers serve?

Per the [Section 2552.81](#) of the Code of Federal Regulations, AmeriCorps Seniors Foster Grandparents serve only children and youth with special and exceptional needs, or in circumstances that limit their academic, social, or emotional development, who are less than 21 years of age.

Reminder, AmeriCorps Seniors volunteers must develop and sustain a one-to-one relationship.

Answers to Frequently Asked Questions

How does my organization determine how much federal funding we should apply for?

Applicants can request as much funding as needed to support a successful program. There are two things to consider: number of Volunteer Service Years and amount of match.

- For every \$9,000 in federal funding, you must budget for and place one volunteer service year (VSY) in an outcome-based work plan in the **Education focus area**.
- Applicants are required to match funds equal to 10% of the total requested one-year program budget. This can be either in-kind or cash match.

Answers to Frequently Asked Questions

How does my organization determine how much federal funding we should apply for? (continued)

For example, if you think you can recruit 23 volunteers to serve 20 VSYPs (or 20,880 hours of service) in outcome-based work plans in the **Education** focus area, you can request \$180,000 in federal funding. Your grantee share is \$20,000, and your total project budget is \$200,000.

VSYP * \$9,000 = Federal
Funding

$20 * \$9,000 = \$180,000$

Determine Total Project
Budget

$(\text{Federal Share}/0.90) = \text{Total Project Budget}$
 $(\$180,000/0.90) = \$200,000$

Calculate Grantee Share

$\text{Total Project Budget} * 0.10 = \text{Grantee Share}$
 $\$200,000 * 0.10 = \$20,000$

[Appendix E: Cost per Volunteer Calculator](#) can be used to determine a minimum number of VSYPs for a funding request.

Answers to Frequently Asked Questions

Our organization is currently a grantee and are operating within a temporary geographic service area. Do we need to apply to this opportunity?

Yes. If your organization was granted permission by AmeriCorps to operate within a geographic service area that was not a part of your original project, the new geographic service area needs to be applied for during this opportunity. The application will only be for the new service area and will not have an impact on your current grant. If the application is successful, the original project can be amended to merge both into a single grant.

Without a successful grant application, organizations will not be allowed to operate in temporary geographic service areas beyond June 2024.

Answers to Frequently Asked Questions

Our organization is currently a temporary sponsor of a relinquished project. Do we need to apply to this opportunity?

Yes. If your organization was granted permission by AmeriCorps to operate as a temporary sponsor for a relinquished project, to maintain services as an AmeriCorps grantee, the organization must apply for this opportunity

Without a successful grant application, organizations will not be allowed to operate in temporary geographic service areas beyond June 2024.

Answers to Frequently Asked Questions

If I am applying for the geographic service area to be permanently added, do we need to apply for funding if we do not need it?

No. Applicants can propose the funding level needed to meet the needs of a successful project in the geographic area. There may be cases where programs are already operating and are requesting to add the geographic service area. If awarded, current grantees may choose to merge the new award into current grants. These cases may not need funds and will apply with a zero budget.

If you are requesting zero dollars in funding, ensure you clearly communicate and describe how staffing, volunteers, and programmatic needs will be met in section E.1.d.i. Cost-Effectiveness and Budget Adequacy -enter your response in Other section of eGrants

Answers to Frequently Asked Questions

Do we need to have a full-time Project Director budgeted in our application?

For new applicants **yes**. Section [2552.25\(c\)](#) of the Code of Federal Regulations states projects should employ a full-time project director to accomplish project objectives and manage the functions and activities delegated to project staff for Foster Grandparent projects(s) within its control.

For current AmeriCorps Seniors Foster Grandparent Program grantees applying to permanently add a geographic service area, **no**. They don't need to budget for a full-time director, as their current grant has the full-time director already.

Answers to Frequently Asked Questions

Do you have any tips for having a complete application?

- 1) Read and reread the Notice of Funding Opportunity and make sure you answer each of the questions in Section E.1. Selection Criteria.
- 2) Include your leadership, board, and financial staff in addressing the items in Section E.1. Selection Criteria.
- 3) Clearly describe how your proposal addresses each criteria and sub-criteria as outlined in Section E.1. Selection Criteria.
- 4) Check your Work Plans, ensure there are no blanks.
- 5) Ensure you are budgeting and programing for at least 1 Volunteer Service Year per \$9,000 of funding.
- 6) Check the math in your budget.
- 7) Do not exceed 17 pages.
