National Service Criminal History Check eCourse now available

The National Service Criminal History Check eCourse has been updated to reflect the May 1, 2021 rule and is now available on Litmos. AmeriCorps grant terms and conditions require grantees to retain the eCourse certificate of completion and assign staff to retake the course annually prior to the expiration of the certificate. Grantees should not allow their training certificate to expire and should ensure they complete the NSCHC eCourse that is available in Litmos.

If you already have a Litmos account, the link below should take you directly to the course. If you do not have an account, you will be directed to a log-in page with instructions to request one.
