FULL TEXT OF THE NOTICE

A. PROGRAM DESCRIPTION
1. Purpose of Volunteer Generation Funding
The mission of CNCS is to improve lives, strengthen communities, and foster civic engagement through service and volunteering. Through AmeriCorps, Senior Corps, and the Volunteer Generation Fund, CNCS has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

VGF grants will be used to develop and/or support community-based entities to recruit, manage, and support volunteers. CNCS seeks to fund effective approaches that expand volunteering, strengthen the capacity of volunteer connector organizations to recruit and retain skill-based volunteers, and develop strategies to use volunteers effectively to solve problems. Specifically, the VGF grants will support efforts that expand the capacity of volunteer connector organizations to recruit, manage, support and retain individuals to serve in high quality volunteer assignments.

Applicants that receive funding under this Notice may directly carry out the activities supported under the award or may carry out the activities by making subgrants to community-based entities, supporting volunteer generation at these entities.

Subgrants to community-based entities must include one or more of the following:
• Address activities consistent with the priorities set by the state’s national service plan
• Recruit, manage, or support volunteers to a community-based entity such as a volunteer coordinating agency, a nonprofit resource center, a volunteer training clearinghouse, an institution of higher education, or a collaborative partnership of faith-based and community-based organizations
• Provide technical assistance and support to strengthen the capacity of local infrastructure organizations, address areas of national need, and expand the number of volunteers nationally.

2. Funding Priorities
CNCS’s priorities for this grant competition are:

• Programs that are likely to generate significant, measurable improvements in the number of volunteers generated and retained from specific demographic groups such as youth service, generational/family volunteering, skill-based volunteering or senior volunteering
• Initiatives that specifically recruit, train and deploy volunteers as a strategy to address a clearly identified pressing community need or to address education
• Activities that specifically recruit skill-based and pro-bono volunteers.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

3. National Performance Measures
CNCS expects applicants to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work and make tactical and strategic adjustments to achieve their goals.

All applicants are required to use the following National Performance Measures:

- G3-3.4 (output): Number of organizations that received capacity building services
- G3-3.10A (outcome): Number of organizations that increased their effectiveness, efficiency, and/or program scale/reach.*

*In the Described Instrument section of measure G3-3.10A, applicants must specifically describe how they will measure organizational effectiveness, efficiency, or program scale/reach with respect to volunteer recruitment or management.

Applicants may optionally select additional performance measure(s), either National Performance Measures or applicant determined performance measures, to describe the type and amount of activities carried out by volunteers managed and/or generated through their program. All performance measures must align with the 2020 VGF Performance Measure Instructions posted on the CNCS website. Note: the number of volunteers recruited/coordinated/supported by your grant, and the number of hours served by these volunteers, will be reported via standard Performance Data Elements and should not be included as performance measures.

4. Program Authority
CNCS’s legal authority to award these grants is the National and Community Service Act of

B. FEDERAL AWARD INFORMATION

1. Estimated Available Funds
CNCS anticipates approximately $6.4 million for VGF 2020 awards.

2. Estimated Award Amount
Award amounts will vary, as determined by the scope of the projects. CNCS expects to make awards of a minimum of $100,000.

3. Project Period
CNCS anticipates making three-year grant awards. CNCS generally makes an initial award for the first year of operation, based on a one-year project period. Continuation awards for subsequent years are not guaranteed; they depend upon availability of appropriations and satisfactory performance.

4. Type of Award
VGF grants will be awarded on a cost reimbursement basis.

C. ELIGIBILITY INFORMATION

1. Eligible Applicants
The following non-federal entities are eligible to apply:

   • state commissions (as defined in 42 U.S.C. §12511(27))

Entities must have a Dun and Bradstreet Universal Numbering System (DUNS) number and be registered in the System for Award Management (SAM) to receive an award. See section D.3. for more information.

2. Cost Sharing or Matching
Applicants are required to match funds equal to a percentage of their total program budget (CNCS Share plus the Grantee Share equals the total program budget). The applicant’s match (Grantee Share) can be cash and/or in-kind contributions. See Section D.6. Funding Restrictions for more information. Match requirements increase with each year and are as follows:

   • 20% in the first year
   • 30% in the second year
   • 40% in the third year
   • 50% in the fourth year and any later year in which a recipient receives a VGF grant.

3. Other Eligibility Requirements
Applications that propose to engage in activities that are prohibited under CNCS’s statutes, regulations, or the terms and conditions of its awards are not eligible to receive CNCS funding.
Note that under appropriations provisions annually enacted by Congress, if CNCS is aware that any corporation has any unpaid federal tax liability—
- that has been assessed
- for which all judicial and administrative remedies have been exhausted or have lapsed
- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability—that corporation is not eligible for an award under this Notice. However, this exclusion will not apply to a corporation which a federal agency has considered for suspension or debarment and has made a determination that suspension or debarment is not necessary to protect the interests of the federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the Internal Revenue Code of 1986, 26 U.S.C. 501 (c)(4) that engages in lobbying activities is not eligible to apply for CNCS funding.

D. APPLICATION AND SUBMISSION INFORMATION
This Notice should be read together with the VGF Performance Measures Instructions and Budget Instructions. These documents are available online at www.nationalservice.gov/vgf.

1. Address to Request an Application Package
Applicants should refer to CNCS Funding Opportunities for more information and instructions on how to fully respond to this Notice. Applicants can also send an email to AmeriCorpsGrants@cns.gov for a printed copy of the Notice. CNCS also offers live text chat at www.NationalService.gov/contact-us.

2. Content and Form of Application Submission
a. Application Content
Complete applications must include the following elements:
- Standard Form 424 (SF-424) Face Sheet: This is automatically generated when applicants complete the data elements in the eGrants system.
- Narrative Sections:
  - Executive Summary: This is a brief description of the proposed program. Executive Summaries of all compliant applications are made available to the public on the CNCS website following grant awards.
  - Program Design
  - Organizational Capability
  - Cost-Effectiveness & Budget Adequacy
- Standard Form 424A Budget
- Performance Measures Authorization, Assurances, and Certifications
b. Page Limits
Applications may not exceed 12 double-spaced pages as the pages print out from eGrants. The application sections that count towards the page limit are the:

- SF-424 Face Sheet
- Executive Summary
- Program Design, Organizational Capability, and Cost-Effectiveness & Budget Adequacy narratives.

The application page limit does not include the Budget, Performance Measures, or any required additional documents.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. **CNCS strongly encourages applicants to print out the application from the “Review and Submit” tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.**

CNCS will not consider the results of any alternative printing methods when determining if an application complies with the page limit. Reviewers will also not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

3. Dun and Bradstreet Universal Numbering System (DUNS) and System for Award Management (SAM)
Applications must include a DUNS number and an Employer Identification Number. The DUNS number does not replace an Employer Identification Number. Applicants can obtain a DUNS number at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online at the DUNS Request Service. CNCS recommends registering at least 30 days before the application due date.

After obtaining a DUNS number, all applicants must register with the System for Award Management (SAM) at www.sam.gov/SAM/ and maintain an active SAM registration until the application process is complete. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. Please go to the General Services Administration (GSA) SAM Update page for login information: www.sam.gov/SAM/

SAM registration must be renewed annually. CNCS suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and address on all grant applications to CNCS.**

Applicants that do not comply with these requirements may become ineligible to receive an award. See the SAM Quick Guide for Grantees at: www.sam.gov/SAM/transcript/Quick_Guide_for_Grants_Registrations.pdf.
4. Submission Dates and Times
   a. Application Submission Deadline
      Applications are due **Wednesday, May 6, 2020 by 5:00 p.m. Eastern Time.**

      CNCS will not consider applications submitted after the deadline, except as noted in Section
      *D.4.c. Late Applications*. CNCS reserves the right to extend the submission deadline. CNCS will
      post a notification in the event of an extended deadline on CNCS’s website.

   b. Additional Documents Deadline
      Additional documents are not required for this grant competition.

   c. Late Applications
      All applications received after the submission deadline published in this Notice are presumed to
      be non-compliant. To overcome this presumption, the applicant must:
      - submit a written explanation or justification of the extenuating circumstance(s) that
        caused the delay, including:
          - the timing and specific cause(s) of the delay
          - the ticket number if a request for assistance was submitted to the National Service
            Hotline
          - any information provided to the applicant by the National Service Hotline
          - any other documentation or evidence that supports the justification
      - ensure that CNCS receives the written explanation or justification and any other evidence
        that substantiates the claimed extenuating circumstance(s), via email to
        LateApplications@cns.gov no later than 24 hours after the application deadline stated in
        the Notice.

      Communication with CNCS staff, including an applicant’s program officer/portfolio manager, is
      not a substitute for a written explanation or justification of the extenuating circumstance that
      caused the delay as outlined above. Applicants are required to continue working in eGrants,
      CNCS’s web-based application system and with the National Service Hotline to submit the
      application. CNCS will determine whether or not to accept a late application on a case-by-case
      basis.

      Applicants that do not meet the application submission deadline, and do not submit a written
      explanation or justification or any other evidence to overcome the presumption of non-
      compliance within the published timeframe, will not be reviewed or selected for award.

      Please note: CNCS will *not* consider an advance request to submit a late application. Please
      carefully review and follow the guidance in this section and submit your application as soon as
      possible.

5. Intergovernmental Review
   This Notice is not subject to Executive Order 12372, “Intergovernmental Review of Federal
   Programs.”
6. Funding Restrictions
   a. Award Funding Requirements
   Awards under this Notice are subject to cost share or matching requirements. The amount of federal funding provided will be limited to the required percent of the total allowable costs for the funded activity, as determined under 2 CFR Part 200, Subpart E-Cost Principles and described in Section C.2.

   Applicants who will be pass-through entities must include in their subawards terms and conditions that will ensure that the pass-through entity’s award under this Notice will comply with the cost share and matching requirements. See 2 CFR 200.331(a)(2)-(4) and 2 CFR 200.74.

   b. Indirect Costs
   Application budgets may include indirect costs. Based on qualifying factors, applicants may either use a federally-approved indirect cost rate, a 10 percent de minimis rate of modified total direct costs, or may claim certain costs directly, as outlined in 2 CFR § 200.413. States, local governments, and Indian tribes may use previously-approved indirect cost allocation plans. All methods must be applied consistently across all federal awards. Applicants that have a federal negotiated indirect cost rate or that will be using the 10 percent de minimis rate must enter that information in the Organization section in eGrants. However, under section 121(d) of the NCSA and CNCS’ regulations at 45 CFR 2517.710, no more than five percent of award funds may be used to recover indirect costs on VGF grants.

   The instructions for how to enter the organization’s indirect cost rate can be located here: eGrants Indirect Cost Rate User Instructions.

   Please note: If CNCS serves as the cognizant agency, the applicant must file a request. To file a request, send an email to IndirectCostRate@cns.gov.

   c. Pre-Award Costs
   Pre-award costs, where authorized, are allowed after receiving written approval from the Office of Grant Administration.

7. Other Submission Requirements
   a. Electronic Application Submission in eGrants
   Applicants must submit applications electronically via eGrants, CNCS’s web-based application system. CNCS recommends that applicants create an eGrants account and begin the application at least three weeks before the deadline. Applicants should draft the application as a Word document, then copy and paste the text into the appropriate eGrants field no later than 10 days before the deadline.

   The applicant’s authorized representative must be the person who submits the application. The authorized representative must use his or her own eGrants account to sign and submit the application. A copy of the governing body’s authorization for this official representative to sign must be on file in the applicant’s office.
Applicants should contact the National Service Hotline at (800) 942-2677 or via eGrants Questions if they have a problem when they create an account, prepare, or submit the application. The general public hours for the National Service Hotline are as follows:
- Mon - Fri, 9 am – 7 pm ET (Jan, May, June, July, Aug, Sept)
- Mon - Thu, 9 am – 7 pm ET (Feb, Mar, Apr, Oct, Nov, Dec).

Be prepared to provide the application ID, organization’s name, and the competition to which the organization is applying. If the issue cannot be resolved by the deadline, applicants must continue working with the National Service Hotline to submit via eGrants.

If circumstances make it impossible for an applicant to submit in eGrants, applicants may send a paper copy of the application via overnight carrier below. Applicants must include a written explanation and any other documentation or evidence that support their inability to submit their application electronically.

2. Review and Selection Process
CNCS will engage Staff Reviewers with relevant knowledge and expertise to assess and provide input on the eligible applications. The review and selection process is intended to produce a diversified set of high-quality programs that represent the priorities and strategic considerations described in this Notice. The stages of the review and selection process follow:

a. Compliance and Eligibility Review
CNCS will conduct a Compliance Review to determine if an application meets the compliance requirements published in this Notice and advances to the next stage of the review process.

An application is compliant if the applicant:
• is an eligible organization
• submitted an application by the submission deadline

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, determinations of eligibility can take place at any point during the application review and selection process. Applicants that are determined to be ineligible will not receive an award.

b. Application Review
Internal Review
CNCS Staff Reviewers will assess applications based on the Program Design, Organizational Capability, and Cost-Effectiveness and Budget Adequacy Selection Criteria. Staff Reviewers will also consider the priorities and strategic considerations detailed in this Notice. CNCS will recruit and select reviewers on the basis of demonstrated expertise in VGF programming and/or the Focus Areas, as well as experience assessing applications. All Staff Reviewers will be screened for conflicts of interest.

Post-Review Quality Control
After the initial review process is complete, CNCS staff will review the results for fairness and consistency. Some applications may be selected for a Quality Control assessment. This additional level of review may be used to assess applications for which there are significant reviewer anomalies.

c. Applicant Clarification
CNCS may ask an applicant for clarifying information. CNCS staff will use this information to make funding recommendations. A request for clarification does not guarantee an award. Applicants may be recommended for funding even if they are not asked for clarifying information. An applicant’s failure to respond to a request for clarification adequately and in a timely manner may result in the removal of its application from consideration. Clarification responses should be complete and correct upon submission.

d. Risk Assessment
CNCS staff will evaluate the risks to the program posed by each applicant, including conducting due diligence to ensure an applicant’s ability to manage federal funds. This evaluation is in
addition to the assessment of the applicant’s eligibility and the quality of its application on the basis of the Selection Criteria. Results from this evaluation will inform funding decisions. If CNCS determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk may be applied to the award. Additionally, if CNCS concludes that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

In evaluating risks, CNCS may consider some of the following criteria:

- financial stability
- financial capacity to manage Federal funds
- quality of management systems and ability to meet the management standards prescribed in applicable OMB Guidance
- applicant’s record in managing previous CNCS awards, cooperative agreements, or procurement awards, including:
  - timeliness of compliance with applicable reporting requirements
  - accuracy of data reported
  - validity of performance measure data reported
  - conformance to the terms and conditions of previous federal awards
  - meeting matching requirements
  - the extent to which any previously awarded amounts will be expended prior to future awards
- information available through OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as:
  - Federal Awardee Performance and Integrity Information System (FAPIIS)
  - U.S. Treasury Bureau of Fiscal Services
  - Dun and Bradstreet
  - SAM
  - “Do Not Pay”
- reports and findings from single audits performed under Uniform Administrative Guidance and findings of any other available audits or investigations
- IRS Tax Form 990
- applicant organization’s annual report
- publicly available information, including information from the applicant organization's website
- applicant’s ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients.

e. Consideration of Integrity and Performance System Information

Prior to making any award that exceeds $150,000, CNCS is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM and FAPIIS (see 41 U.S.C. 2313). Additionally, CNCS may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under $150,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a federal
awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

CNCS may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the Risk Assessment Evaluation section of this Notice.

f. Selection for Funding
The review and selection process is designed to:
- identify how well eligible applications are aligned with the application review criteria
- build a diversified portfolio based on the following strategic considerations:
  - CNCS Funding Priorities (See Section A.2. Funding Priorities)
  - meaningful representation of
    - geographic diversity
    - rural communities
    - small and medium programs.

Based on the evaluation of these strategic considerations, applications may be selected for funding over applications with a greater degree of alignment with the review criteria. In selecting applicants to receive awards under this Notice, the Chief Executive Officer will endeavor to include a diverse portfolio of applications based on staff recommendations and strategic considerations.

CNCS reserves the right to prioritize funding existing awards over making new awards.

CNCS reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.

CNCS reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the selection criteria that will be used to assess applications.

3. Feedback to Applicants
Following awards, applicants will receive summary comments from the Staff Review of their compliant applications. This feedback will be based on the review of the original application and will not reflect information provided during clarification.

4. Transparency in Grant-making
CNCS is committed to transparency in grant-making. The following information for new and re-competing applications will be published on CNCS Results of Grant Competitions within 90 business days after all grants are awarded:
- a list of all compliant applications submitted
- executive summaries of all compliant applications
data extracted from the SF-424 Face Sheet

Submitted program narratives for successful applications will be available upon request.

F. FEDERAL AWARD ADMINISTRATION INFORMATION
1. Federal Award Notices
CNCS will make awards following the grant selection announcement. CNCS anticipates announcing the results of this competition by July 6, 2020. All applicants, successful or not, will be notified of funding decisions via email.

Notification of an award is not an authorization to begin grant activities. The Notice of Grant Award signed by the Office of Grant Administration is the authorizing document for grant activities. An awardee may not expend federal funds until the start of the Project Period identified on the Notice of Grant Award.

2. Administrative and National Policy Requirements
a. Uniform Guidance
All awards made under this Notice will be subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), in 2 CFR Parts 200 and 2205.

b. Requests for Improper Payment Information
CNCS may, from time to time, request documentation from recipients in order to monitor the award or to comply with other legal requirements, such as the Improper Payments Information Act of 2002, as amended. Failure to make timely responses to these requests may result in award funds being placed on temporary manual hold, reimbursement only status, or other remedies may be applied as appropriate.

c. CNCS Terms and Conditions
All awards made under this Notice will be subject to the FY 2020 CNCS General Terms and Conditions, and the FY 2020 Program Specific Terms and Conditions for the particular program (when applicable). These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the CNCS General and Specific Terms and Conditions for each of its programs is available at www.nationalservice.gov/resources/terms-and-conditions-cncs-grants.

d. National Service Criminal History Check Requirements
The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. The law requires grantees to conduct and document NSCHCs on persons (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend, or education award through a program receiving CNCS funds. This includes staff that receive part of their salary through a subgrant. An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.
Grantees should utilize two vendors CNCS has engaged to conduct the required NSCHCs. Failure to conduct an NSCHC may result in significant disallowed costs.

Unless CNCS has provided a grant recipient with a written exemption or written approval of an alternative search procedure, recipients **must** perform the following checks:

All award-funded staff, national service participants, and volunteers must undergo NSCHCs that include:

- A nationwide name-based search of the National Sex Offender Public Website (NSOPW); and
- Either
  - A name- or finger-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work *or*
  - A fingerprint-based FBI criminal history check.

**Special Rule for Persons Serving Vulnerable Populations.** Award-funded staff, national service participants, and volunteers *with recurring access to vulnerable populations* (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

- A nationwide name-based check of the NSOPW; and
- Both
  - A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; *and*
  - A fingerprint-based FBI criminal history check.

See 45 CFR § 2540.200–§ 2540.207 and CNCS Criminal History Check Resources for complete information and FAQs.

**3. Use of Material**

To ensure that materials generated with CNCS funding are available to the public and readily accessible to recipients and non-recipients, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 CFR §200.315).

**4. Reporting**

Recipients are required to submit a variety of reports which are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Recipients are required to provide annual progress reports and semi-annual financial reports through eGrants, CNCS’s web-based grants management system. All recipients must provide quarterly financial reports through the Payment Management System (PMS) at the U.S. Department of Health and Human Services.
At the end of the award period, recipients must submit final financial and progress reports that are consistent with the close-out requirements. The final reports are due 90 days after the end of the agreement.

Award recipients will be required to report at www.FSRS.gov on all subawards over $25,000, and may be required to report on executive compensation for the recipient organization and its subrecipients. Recipients and subrecipients must have the necessary systems in place to collect and report this information. See 2 CFR Part 170 for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have data collection and data management policies, processes, and practices that provide reasonable assurance that they are reporting high quality performance measure data. At a minimum, recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- the data measures what it intends to measure
- the data reported is complete
- the recipient collects data in a consistent manner
- the recipient takes steps to correct data errors
- the recipient actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the recipient’s ability to secure future CNCS funding.

For further guidance and training resources, see the AmeriCorps Performance Measurement page on the Knowledge Network.

5. Continuation Funding Information and Requirements
Organizations that have current VGF awards that continue into FY 2020 must submit an application in order to be eligible to receive funding for the following year. Please see the Application Guidance. Requests by existing continuation applicants for increases in the level of funding will be assessed using the review criteria published in this Notice.

The review will also be based on progress reports, the federal financial report, and CNCS staff’s knowledge of the grant program. To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant.

CNCS reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.
