SUPPLEMENTARY INFORMATION:
Title of Collection: AmeriCorps Program Life Cycle Evaluation—Climate Change Bundled Evaluation.

OMB Control Number: TBD. *Type of Review:* New.

Respondents/Affected Public: Grantee and sponsor organizations, national service members, community members, and partner organization staff.

Total Estimated Number of Annual Responses: 610 responses.

Total Estimated Number of Annual Burden Hours: 232 hours.

Abstract: The purpose of this evaluation is to provide insight on the implementation of the climate change bundle programs and explore variation in activities for education and training, disaster response, conservation, wildfire mitigation, and energy efficiency. It will explore the ways in which the programs influence community resilience. It will also examine changes in attitudes and behaviors toward civic engagement among national service members and the development of job skills, including skills for green jobs. Finally, it will examine how the programs are serving vulnerable communities and at-risk populations. The research questions for this evaluation will be:

1. How do programs/members connect their work to climate change?
2. To what extent does the program include opportunities to increase equity?
3. To what extent is the program operating as intended?
4. What are some promising practices and some challenges in implementing the climate change grant programs?
5. What were the barriers and facilitators to meet the intended outcomes of the program?
6. What are the lessons learned that can inform the field or be useful for practitioners that work in this space?

7. What is the likelihood that the program will be sustained beyond the grant?

8. How were the communities and community members impacted by climate change prior to the program?

9. What types of communities are being helped by the climate change grant programs?

10. To what extent are programs focused on vulnerable populations and communities?

11. What are the demographic characteristics of national service members (e.g., gender, age, race, ethnicity, education)?

12. How did the COVID-19 pandemic affect program operations?

13. How did the COVID-19 pandemic affect national service members?

14. What partner organizations are involved (e.g., community organizations, local agencies)? What are their roles in the program?

15. What is the breadth (number and type of partnership), quality, and quantity of the partnership(s) (number and frequency of joint activities and their strength)?

16. How were partnerships built and maintained?

17. How do grantee and sponsor organizations work with partners to build community resilience?

18. To what extent do the climate change grant programs:

a. improve energy efficiency and increase the use of renewable energy sources?

b. help communities prepare, respond, and recover from natural disasters and other climate change effects?

c. preserve public lands and waterways and protect or restore biodiversity?

d. increase community members' knowledge, attitudes, and behaviors around climate change?

e. build capacity of the community to be resilient?

19. How do the climate change grant programs lead to increased civic engagement?

20. In what ways does participation in the climate change grant programs influence national service members' job skills development toward green jobs?

21. To what extent does participation in the climate change grant programs:

a. increase national service members' functional and technical job skills?

b. increase national service members' interest/willingness to pursue a career in a green job?

c. lead to a job after their service?

d. lead to a career in a green job after their service?

ICF will conduct a bundled evaluation of grantees and sponsors

with an explicit emphasis on activities related to addressing climate change. By bundling, this evaluation combines programs and projects with similar program approaches into a single evaluation. Spanning 32 months, the evaluation includes up to 30 grantees and sponsors to examine program design, implementation, and outcomes using surveys, interviews, and focus groups with a wide range of stakeholders including grantee and sponsor staff, partner organizations, national service members, and community members. This is a new information collection.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose, or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install, and use technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel to be able to respond to a collection of information, to search data sources, and to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on regulations.gov.

Dated: August 11, 2022.

Mary Hyde,

Director, Office of Research and Evaluation.

DEPARTMENT OF EDUCATION

[Docket No.: ED-2022-SCC-0105]

Agency Information Collection Activities; Comment Request; Study of the Impact of English Learner Reclassification Policies

AGENCY: Institute of Education Science (IES), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, ED is proposing a new information collection.

DATES: Interested persons are invited to submit comments on or before October 17, 2022.

ADDRESSES: To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by searching the Docket ID number ED-2022-SCC-0105. Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. If the [regulations.gov](http://www.regulations.gov) site is not available to the public for any reason, ED will temporarily accept comments at ICDocketMgr@ed.gov. Please include the docket ID number and the title of the information collection request when requesting documents or submitting comments. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the PRA Coordinator of the Strategic Collections and Clearance Governance and Strategy Division, U.S. Department of Education, 400 Maryland Ave. SW, LBJ, Room 6W208C, Washington, DC 20202-8240.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Tracy Rimdzius, 202-245-7283.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested

data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Study of the Impact of English Learner Reclassification Policies.

OMB Control Number: 1850-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 30.

Total Estimated Number of Annual Burden Hours: 817.

Abstract: The data collection described in this submission will assist policymakers in understanding the impact of reclassification policies that exit students from English learner (EL) status. Specifically, the study will examine (1) whether reclassification was implemented more consistently across districts within states after the start of the Every Student Succeeds Act (ESSA) and (2) whether reclassification at current thresholds helps, harms, or is neutral for former ELs' instructional opportunities, experiences, achievement, and attainment. Data for the study will come from extant state longitudinal data systems and publicly available data on state policies.

Dated: August 12, 2022.

Juliana Pearson,

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
