

to discuss outcomes of the November Pacific Council meeting and to initiate discussions and analyses on groundfish items, such as stock definitions, on the Pacific Council's March and April 2023 agendas necessary to inform their overwinter analytical work. The GMT may also address other Council assignments relating to groundfish management. No management actions will be decided by the GMT. A detailed agenda for the webinar will be available on the Pacific Council's website prior to the meeting.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt (*kris.kleinschmidt@noaa.gov*; (503) 820-2412) at least 10 days prior to the meeting date.

Dated: November 7, 2022.

Key Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
