A. PROGRAM DESCRIPTION

A.1. Purpose of AmeriCorps State and National Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism. AmeriCorps members serve with organizations dedicated to the improvement of communities and those serving.

AmeriCorps grants are awarded to [eligible organizations](#) engaging AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is person who does community service through AmeriCorps. Members may receive a living allowance and other benefits. After successful completion of their service, members earn a [Segal AmeriCorps Education Award](#) they can use to pay for higher education expenses or apply to qualified student loans.

A.2. Funding Priorities

For this funding opportunity, AmeriCorps will prioritize consideration for applicants from organizations that:

Serve Communities:

- Prioritize civic engagement/social cohesion, and youth mental health;
- Education - improving student academic performance in Science, Technology, Engineering, and Mathematics (STEM), serving students who attend Bureau of Indian Education (BIE) schools, Tribal Colleges and Universities and Indigenous Urban Centers, Indigenous Teacher Preparation, and GED support programs, and programming focused on Indigenous or Tribal Data Sovereignty;
- Promote the preservation and teaching of traditional Native languages and cultural practices;
- Promote Environmental Stewardship and climate change including renewable energy and energy efficiency, building community resilience, sustainable food systems and agriculture, water/wastewater; conservation and habitat preservation; Indigenous environmental practices; Traditional Ecological Knowledge, and Indigenous food sovereignty (seed saving, foraging, etc.);
- Promote Economic Opportunity - including digital skills and increased access to broadband; infrastructure/transportation assistance; financial readiness; training and access to financial resources for home buying; or college; and college access program;
- Promote Healthy Futures - providing services to historically underserved individuals both on and off reservation lands, including but not limited to people with arrest and/or conviction records, people with disabilities, people who identify as part of the two spirit LGBTQIA+ community, building trauma-informed programs, addressing issues such as Missing and Murdered Indigenous People (MMIP) programs to raise awareness;

- Focus on improving the quality of life for veterans, active-duty members of the Armed Forces, and their families by recruiting veterans, military spouses, and their older children into national service;

Benefit AmeriCorps Members

- Provide benefits to AmeriCorps members aimed at enhancing member experience and bolstering member recruitment and retention such as paying more than the minimum living allowance, transportation, housing, food, etc.; and
- Create workforce pathways for AmeriCorps members, including deliberate training, certifications, and hiring preferences or support.

To receive priority consideration, applicants must show the priority area is a significant part of the program focus and intended outcomes. Priority consideration does not guarantee funding.

A.3. Performance Goals or Expected Outcomes

National Performance Measures

All applications must include at least one aligned performance measure, output, and outcome, that corresponds to the proposed primary intervention. This may be a National Performance Measure or an applicant-determined measure. For more information, refer to the [National Performance Measure Instructions](#).

A.4. Program Authority

Awards under this Notice are authorized by the [National and Community Service Act of 1990](#), as amended, [42 U.S.C. §12501 et seq.](#)

B. FEDERAL AWARD INFORMATION

B.1. Estimated Available Funds

AmeriCorps welcomes Native Nation applications. The actual level of funding is subject to the availability of annual appropriations.

B.2. Estimated Award Amount

Award amounts will be different depending on the scope of the projects.

B.3. Period of Performance

AmeriCorps plans to make three-year grant awards. AmeriCorps generally makes an initial award for the first year of the three-year period of performance. Applicants must submit a one-year budget. Applicants may propose any project start date that fits their program design. The period of performance may not start before August 15, 2025. Continuation awards for future years are not guaranteed; they depend upon future appropriations and satisfactory performance.

B.4. Type of Award

AmeriCorps makes available different types of grants. The chart below summarizes these grant types and their distinct characteristics.

Grant Types	Cost Reimbursement	Fixed Amount

** For the Education Award Program, AmeriCorps may provide a maximum of \$800 per individual enrolled in an approved national service position. If at least 50 percent of a program's enrollees are disadvantaged youth, AmeriCorps may provide \$1,000 per enrollee, [42 U.S.C. § 12581a](#).

***Use Mandatory Supplemental Information (MSI) for further requirements

B.5. Cost Sharing or Matching

Cost Reimbursement Grants

Match requirements are waived for this funding opportunity to reduce burden, per [Executive Order 14112](#) *Reforming Federal Funding and Support for Tribal Nations To Better Embrace Our Trust Responsibilities and Promote the Next Era of Tribal Self-Determination* and [M-24-11](#), which directs agencies, to the extent possible, to improve accessibility by identifying matching or cost-sharing requirements that may unduly reduce the ability of Tribal Nations to access resources and removing those burdens where appropriate.

Fixed Price Grants

There is no cost share or matching requirement for Fixed Amount grants. AmeriCorps does not provide all the funds necessary to operate the program. Organizations should raise the funds needed to operate the program.

Match Replacement

Match Replacement Funds are available for Native Nation cost reimbursement applicants who certify that they are “severely economically distressed communities” as defined by 42 U.S.C. 12645d(b). Match replacement funds are additional AmeriCorps funds up to the amount that would have been contributed by the recipient if the match requirements were not waived. This amount is determined by the year of the program, as follows:

AmeriCorps Funding Year	Years 1,2, and 3	Years 4,5, and 6	Years 7,8, and 9	Years 10 +
Waived Match Requirement/Match Replacement Percentage	24%	26%	28%	30%

Applicants can request up to the maximum amount of their waived match requirement amount, as determined by the year of the program. For example, an applicant in year 4 is requesting \$100,000 in AmeriCorps funding. The applicant has a 26% waived match requirement. The applicant may request up to \$26,000 in the grantee share as match replacement funding.

Cost reimbursement applicants indicate the amount of requested match replacement in the Source of Funds section of the budget. The match replacement funds are budgeted in the grantee share of the budget.

Please see the [Application Instructions](#) for how to request Match Replacement funds.

D.5. Intergovernmental Review

This Notice is not subject to [Executive Order 12372](#), *Intergovernmental Review of Federal Programs*.

D.6. Funding Restrictions

D.6.a. Award Funding Requirements

1. Member Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a member at less than full-time terms of service, it must follow the limits in the table below. Organizations applying for Cost Reimbursement grants must include the living allowance in the budget, either as AmeriCorps share or grantee share.

Fixed Amount grant applicants must give members a living allowance that follows the minimum and maximum amounts in the chart below and should indicate that amount in the application.

Table: Minimum and Maximum Living Allowance

Slot Types	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1,700	\$20,400	\$40,800
Three Quarter-time	1,200	n/a	\$28,560
Half-time	900	n/a	\$20,400
Reduced Half-time	675	n/a	\$15,504
Quarter-time	450	n/a	\$10,608

Minimum-time	300	n/a	\$8,568
Abbreviated-time	100	n/a	\$2,448

Exceptions to the Living Allowance Requirements

a. Programs existing prior to September 21, 1993, do not have to offer a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its members the minimum but cannot exceed the maximum.

b. Education Award Program (EAP) Grantees are not required to provide a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its members the minimum but cannot exceed the maximum.

c. Professional Corps Grantees must provide members a living allowance or salary. Organizations must pay members the minimum and can exceed the maximum. Professional Corps member salaries and benefits including childcare cannot be included in the federal share budget request to AmeriCorps.

2. Maximum Cost per Member Service Year

The AmeriCorps cost per MSY is determined by dividing the AmeriCorps share of budgeted grant costs by the number of MSYs requested. It does not include childcare or the value of the education award a member may earn.

Table: Maximum Cost per MSY

Grant Program	Maximum
Native Nations Program (cost reimbursement)	\$25,000
Professional Corps competitive Fixed Amount Applicants/Grantees	\$1,000*
Full-cost competitive Fixed Amount Grant	\$25,000
Education Award Program (EAP) Fixed Amount Grant (competitive and formula)	\$800 or \$1,000**

*AmeriCorps requires **Professional Corps** programs to cover the operating expenses associated with the AmeriCorps program through -non-AmeriCorps resources. AmeriCorps will only consider operating funds of up to \$1,000 per MSY if an applicant is able to show significant organizational financial need.

** For the Education Award Program, AmeriCorps may provide a maximum of \$800 per individual enrolled in an approved national service position. If at least 50 percent of a program’s enrollees are disadvantaged youth, AmeriCorps may provide \$1,000 per enrollee, [42 U.S.C. § 12581a](#).

AmeriCorps may 1) treat an applicant as a professional corps if they meet the legal requirements for a professional corps (even if they did not submit a professional corps application); and 2) decide not to provide a grant to an organization that it determines cannot operate effectively without AmeriCorps operating funds.

3. Costs Associated with Evidence Building Activities e.g. performance data collection and management, foundational research, program evaluation, etc.

As noted in [2 CFR § 200.455](#), costs associated with evidence building activities are allowable expenses or grantee share under AmeriCorps grants. This includes costs related to performance data collection and management, foundational research, program evaluation, and related activities.

D.6.b. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants may use a Federally approved indirect cost rate if they have one, or a 15 percent *de minimis* rate of modified total direct costs, or [may claim certain costs directly](#). However, no more than five percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants under section 121(d) of the [National and Community Service Act of 1990](#), as amended and AmeriCorps' regulations at [45 CFR 2521.95](#) and [2540.110](#),.

The agency's Indirect [Cost Guidance](#) provides more information on applicant's options for Indirect Cost Rates. Use the [Indirect Cost Rate \(IDCR\) User Instructions](#) to enter the organization's indirect cost rate. Applicants should not submit documentation addressing the cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@americorps.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.6.c. Pre-Award Costs

Pre-award costs, where authorized, are allowed after receiving written approval from AmeriCorps.

D.7. Other Submission Requirements

D.7.a. Electronic Application Submission

Applicants must submit applications electronically via AmeriCorps' web-based application system.

The applicant's authorized representative must be the person who submits the application. The authorized representative must use their own account to sign and submit the application.

When contacting the AmeriCorps Hotline, be prepared to provide the application ID, organization's name, and the name of the Notice to which the organization is applying. If the issue cannot be fixed by the deadline, applicants must continue working with the AmeriCorps Hotline to submit via the grant system.

If it is impossible for an applicant to submit in the grant system, applicants may send a paper copy of the application via overnight carrier to this address below.

E. APPLICATION REVIEW INFORMATION

E.1. Selection Criteria

Each applicant must describe a project that will use AmeriCorps members effectively to solve a significant community problem.

Applications must have a well-designed plan with clear justification for the requested funds. Reviewers will assess the quality of applications by using the selection criteria described below and will rate them accordingly.

Do not assume all sub-criteria are of equal value.

Categories/Subcategories	Percentage
Executive Summary	0
Program Design	50
• Community and Logic Model	24
• Evidence Tier	12
• Evidence Quality	8
• Notice Priority	0
• Member Experience	6
Organizational Capability	25
• Organizational Background and Staffing	15
• Member Supervision	6
• Commitment to Diversity, Equity, Inclusion, and Accessibility	4
Cost-Effectiveness and Budget Adequacy	25
• Member Recruitment	8
• Member Retention	9
• Data Collection	8

E.1.a. Executive Summary, 0 percent:

Please fill in the blanks of these sentences to complete the Executive Summary. There are two options for the second paragraph; please choose the appropriate language for your application. Do not deviate from this template:

“The [Name of the organization] will have [Number of] AmeriCorps members in [the locations the AmeriCorps members will serve, e.g. - City, State or State(s)]. E.1.b. Program Design, 50 percent:

1. Community and Logic Model, 24 points

The applicant will provide a detailed summary of the community problem, including:

- How the inequities faced by underserved communities may contribute to the problem.
- How the [CDC's Social Vulnerability Index](#) explains the extent of the problem.
- How the applicant's intervention(s) will lead to the outcomes identified in the organization's Logic Model.

The applicant must describe in the Logic Model

- The inputs or resources that are necessary to deliver the intervention, including but not limited to:
 - Locations or sites in which members will provide services.
 - Setting and community condition where the intervention is delivered.
 - Number of AmeriCorps members who will deliver the intervention.
 - Characteristics of AmeriCorps members, including specific knowledge, skills, and abilities required to implement the intervention.
- The core activities that members will deliver as part of the intervention including:
 - Length of each activity (e.g., the total number of weeks, sessions or months of the intervention).

The assessment of an applicant's evidence base has two parts. First, the applicant will be assigned to an evidence tier. Second, the quality of the applicant's evidence, how the evidence aligns with funding priorities ([A.2 Funding Priorities](#)) section and how the evidence supports the proposed program.

Evidence Tier, 12 points

Each applicant will receive an evidence tier assessment. This is based on the relative strength of the applicant's evidence base and the likelihood that the proposed intervention will lead to the outcomes identified in the Logic Model narrative.

AmeriCorps values and funds programs at all points along the evidence continuum and expects programs to progress along the evidence continuum over time. Thus, **applicants should not be deterred from applying for funding due to their current evidence level.**

To qualify for the Preliminary, Moderate, or Strong evidence tier, applicants may submit up to two evidence documents, plus the evaluation report from their last three-year grant cycle, if applicable. If multiple evidence documents are submitted by the applicant, the most recent - as measured by the date of completion or publication- will be reviewed first, and any documents submitted beyond the allowable number will not be reviewed.

The intervention evaluated in the submitted evidence documents must match the intervention proposed by the applicant in the Community and Logic Model sections of the application. Use the [Mandatory Supplemental Information](#) for a definition of same intervention). Applicants must meet all requirements of an evidence tier to be considered for that tier.

Submitted evidence documents that do not sufficiently match the intervention will not be reviewed or receive any points.

In the Evidence Tier section of the application narrative, applicants must:

- Summarize the study design and key findings of the evidence documents submitted, plus, if applicable, the evaluation report from their last three-year grant cycle; and
- Describe any other evidence that supports their program, including past performance measure data and/or other research studies that inform their program design.

Applicants should provide citations for the studies they describe.

Evidence Quality, 8 points

Reviewers will score the quality of an applicant's evidence and the extent to which it supports the proposed program design.

Standards for scoring in the Preliminary, Moderate, or Strong evidence tiers. Submitted evidence documents:

- Are of satisfactory methodological quality and rigor for the type of evaluation conducted e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.;
- Describe evaluations that were conducted relatively recently, preferably within the last six years; and
- Show a meaningful and significant positive effect on program beneficiaries or AmeriCorps members in at least one key outcome of interest.

Standards for scoring in the Pre-Preliminary evidence tier:

- The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design;
- The described evidence is relatively recent, preferably from the last six years; and
- The evidence described by the applicant indicates a meaningful positive effect on program beneficiaries or AmeriCorps members in at least one key outcome of interest.
