A. PROGRAM DESCRIPTION

A.1. Purpose of AmeriCorps Seniors' Foster Grandparent Program Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism. AmeriCorps members and AmeriCorps Seniors volunteers serve with organizations dedicated to the improvement of communities and those serving. AmeriCorps helps make service a cornerstone of our national culture.

Established in 1965, the AmeriCorps Seniors Foster Grandparent Program (FGP) engages adults aged 55 and over to provide caring and experienced tutors and mentors to children and youth with special or exceptional needs, or who would benefit from the one-one-one attention an AmeriCorps Seniors volunteer can provide. AmeriCorps Seniors volunteers serve in schools, Head Starts, drug treatment centers, correctional institutions, and childcare centers. Among other activities, they review schoolwork, reinforce values, teach parenting skills to young parents, and care for premature infants and children with disabilities. AmeriCorps Seniors volunteers often maintain an ongoing, intensive relationship with the children and youth served for a year or longer.

A.2. Funding Priorities

AmeriCorps will invest in existing and new partnerships with non-profit (including faith-based) organizations, institutions of higher education, Tribal organizations, and local/state government entities and will prioritize investment in AmeriCorps' Focus Areas ([Appendix F](#)). We will target our investments toward communities where the need is greatest. These steps will enable more Americans than ever to strengthen the communities that need it most across the nation through their service.

The AmeriCorps Seniors Foster Grandparent Program focuses grantmaking in the Education focus area identified by the National and Community Service Act of 1990, as amended by the Serve America Act. Under this focus area, grantees must provide and/or facilitate access to services and resources that contribute to improved educational outcomes children and for children with special and/or exceptional need. Activities may include providing support and/or facilitating access to services and resources that contribute to school readiness, providing support that improves academic performance, and providing support that improves academic engagement.

A.3. Performance Goals or Expected Outcomes

National Performance Measures

AmeriCorps Seniors expects applicants to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work and make tactical and strategic adjustments to achieve their goals.

Applicants are required to use the specific performance measures outlined in this Notice. For more information, please refer to the National Performance Measures Instructions found in [Appendix B: AmeriCorps Seniors Foster Grandparent Program Performance Measure Instructions](#).

Applicants must identify Education as the Primary Focus Area. Work plans must include at least one service activity in the selected Primary Focus Area of Education. The Primary Focus Area represents the area in which the incumbent aims to make the most impact.

All proposed volunteers and the intended impact of their service must be represented in the narratives, in a work plan, and in the budget.

This funding opportunity requires applicants to demonstrate cost-effective practices in achieving performance goals through the services described in the proposed work plan. Applications must include work plans that meet the following minimum requirements:

- National Performance Measure outcomes using Education as the primary focus area.
- Federal funding requests cannot exceed \$9,000 per Volunteer Service Year (VSY*.) At least one VSY per \$9,000 of federal funds must be placed in a work plan that results in national performance measure outcomes in the Education focus area. [Appendix G: Cost Per Volunteer Calculator](#) can be used to determine a minimum number of VSYS for a funding request.

**Volunteer Service Year (VSY) is a budget term which equals 1,044 hours of volunteer service activity. Volunteer Service Years (VSYS) are used in the budget and work plans. The standardized stipend cost per Volunteer Service Year (VSY) is calculated by multiplying the number of hours served by the current cost per hour for the stipend (1,044 hours x \$4.00 per hour). Volunteer Service Year (VSY) also refers to work plan requirements as noted above.*

A.4. Program Authority

Awards under this Notice are authorized by the [National and Community Service Act of 1990](#), as amended, ([42 U.S.C. §12501 et seq.](#)) and the [Domestic Volunteer Service Act of 1973](#), as amended ([42 U.S.C. §4950 et seq.](#)).

B. FEDERAL AWARD INFORMATION

B.1. Estimated Available Funds

AmeriCorps anticipates approximately \$117 million for FY 2025 AmeriCorps Seniors Foster Grandparent Program (FGP). The actual level of funding is subject to the availability of annual appropriations.

B.2. Estimated Award Amount

Award amounts will vary as determined by the scope of the projects. AmeriCorps expects to make awards in the range of \$0 to \$2,000,000.

B.3. Period of Performance

Successful applicants will be issued awards by June 2025.

Program and budget period should be July 1, 2025, to June 30, 2026.

AmeriCorps anticipates making three-year grant awards. AmeriCorps generally makes an initial award for the first year of the period of performance, based on a one-year budget. The AmeriCorps funding amount requested for Year 1 during Administrative Renewal is the amount you seek to receive for each year of the grant. However, Continuation awards (Years 2 and 3) for subsequent years are not guaranteed; they depend upon availability of appropriations and satisfactory performance. While AmeriCorps may make multi-year awards, actual award periods may vary because of program requirements, the availability of future appropriations, or specific circumstances of an individual application.

B.4. Type of Award

FY 2025 AmeriCorps Seniors Foster Grandparent Program grants will be awarded on a cost reimbursement basis.

Award recipients will be assigned to an AmeriCorps portfolio manager, who will be responsible for assessing recipient performance, providing training and technical assistance, and serving as the agency's primary point of contact.

AmeriCorps Seniors Foster Grandparent Program grants will be awarded if an application is successful.

C. ELIGIBILITY INFORMATION

C.1. Eligible Applicants

Existing grantees are required to submit a continuation or renewal application.

The following non-Federal entities (all of which are defined in [2 CFR 200.1](#) or [42 U.S.C. 12511\(21\)](#)) are eligible for AmeriCorps funding:

- Indian Tribes
- institutions of higher education
- local governments
- nonprofit organizations
- state service commissions*
- states and US Territories
- Through this Notice, only AmeriCorps Seniors Foster Grandparent Program grantees who have an active AmeriCorps Seniors Foster Grandparent Program grant, including a no-cost grant (\$0), may apply for funding.

In addition to Indian Tribes as defined in [2 CFR 200.1](#), Tribal organizations that are controlled, authorized, or chartered by federally recognized Indian Tribes are also eligible to apply. If an entity applies for an award as a tribal organization that is controlled or chartered by one or more Indian Tribes, and the organization does not meet any of the other applicant eligibility types, the organization must provide copies or links to documentation that demonstrates the organization is controlled or chartered by a federally recognized Indian Tribe. If an entity applies as an organization authorized by a federally recognized Tribe, or multiple specific federally recognized tribes, it must submit a resolution or other authorization, adopted by the Tribal Council (or comparable tribal governing body) of each Indian Tribe. The authorization(s) must identify the entity applying for an AmeriCorps award by name as a tribal organization that is authorized by the Indian Tribe(s) for the purpose of applying for AmeriCorps funding (or federal grant funds generally).

Applicants must have a valid SAM registration and Unique Entity Identifier to receive an award. See Section [D.3. Unique Entity Identifier and System for Award Management \(SAM\)](#) for more information.

** State service commissions are currently eligible to apply due to a waiver of the prohibition at 45 CFR 2550.80(j), which provides that a state commission or AAE may not directly carry out any national service program that receives financial assistance title II of the Domestic Volunteer Service Act (DVSA). This funding opportunity is applicable only to state commissions that have an existing Foster Grandparent Program grant.*

C.2. Cost Sharing or Matching

Applicants are required to match funds equal to ten percent of their total requested one-year program budget. The applicant's match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must indicate whether the match is proposed or secured. Applicants must demonstrate the ability to meet the ten percent match requirement at the time of application submission. See Section [D.6. Funding Restrictions](#) for more information.

To calculate the minimum grantee share, divide the baseline funding amount (i.e., federal share) listed for the grant in Appendix A by 0.9. Then, subtract baseline funding from that result. This will give the minimum amount of grantee share. For example, if the baseline funding listed in Appendix A is \$288,000:

$$\$288,000 / 0.9 = \$320,000$$

$$\$320,000 - \$288,000 = \$32,000$$

The grantee share is at least \$32,000, the federal share is \$288,000, and the total project budget is at least \$320,000. You may also use the calculator [in Appendix G: Cost Per Volunteer Calculator](#) to determine the minimum grantee share.

Non-AmeriCorps federal funds are allowed as match if the federal agency that is the source of the funds approves its use as match. Applicants must maintain documentation of this approval.

For information about a match waiver, please see the [Individual Match Waiver Request Form](#) or the AmeriCorps Seniors Individual Match Waiver link on the [Manage Your Grant](#) webpage.

C.3. Other Eligibility Requirements

Applications that propose to engage in activities that are prohibited under AmeriCorps' statutes, regulations, or the terms and conditions of its awards are not eligible to receive AmeriCorps funding. **In addition, grantees must certify that the activities under this grant comply with all applicable Executive Orders and do not include any activities promoting diversity, equity, and inclusion (DEI) that violate any applicable Federal anti-discrimination laws.**

Note that under appropriations provisions annually enacted by Congress, if AmeriCorps is aware that any corporation has any unpaid federal tax liability:

- that has been assessed
- for which all judicial and administrative remedies have been exhausted or have lapsed
- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability

that corporation is not eligible for an award under this Notice. However, this exclusion will not apply to a corporation that a federal agency has considered for suspension or debarment and determined that suspension or debarment is not necessary to protect the interests of the federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the [Internal Revenue Code of 1986, 26 U.S.C. §501 \(c\)\(4\)](#) that engages in lobbying activities is not eligible to apply for AmeriCorps funding.

Updated 3/7/25: D.2.a.i. Continuation Grants (Years 2 or 3)

If you are submitting a **Continuation application**, do not revise or delete content in the Strengthening Communities, Recruitment and Development, Program Management, and Organizational Capability narratives **except those necessary to ensure compliance with applicable executive orders**. If you are carrying forward funds and need to increase your VSUs, or will be supplementing the stipend with grantee funds, please note this in the Other Narrative.

D.2.a.ii. Renewal Grants (Year 1)

If you are submitting an **Administrative Renewal application**, previous grant information will auto-populate, however, make sure to verify there have not been changes to the application requirements and that all narrative fields have been adequately addressed. Update sections as instructed in [Section E.2.](#) of this Notice. **Please make certain to respond in order to ensure compliance with applicable Executive Orders.**

D.2.b. Page Limits

Continuation applications may not exceed **22** double-spaced pages according to the pages printed out from eGrants. Renewal applications may not exceed **20** double-spaced pages according to the pages printed out from eGrants. The application sections that count toward the page limit are the:

- SF-424 Face Sheet
- Executive Summary
- Strengthening Communities, Recruitment and Development, Program Management, Organizational Capability, and Other Narratives

The application page limit does not include the Budget, Work Plans/Performance Measures, or any required additional documents. Text entered into the Clarification Summary narrative will not be read or reviewed. The Clarification Summary narrative will be used after receipt and review of your application to address resolution items, if applicable.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. The character limits in eGrants do not align with page limits set in the Notice. **AmeriCorps strongly encourages applicants to print out the application from the "Review and Submit" tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.**

AmeriCorps will not consider the results of any alternative printing methods when determining if an application complies with the page limit. Reviewers will also not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

D.3. Unique Entity Identifier (UEI) and System for Award Management (SAM)

All applicants **must** register with the [System for Award Management \(SAM\)](#), have an active registration by the application deadline, and maintain an active SAM registration until the application process is complete. The SAM registration must align with the UEI entered into eGrants. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. See the [SAM Quick Guide for Grantees](#).

SAM registration must be renewed annually. AmeriCorps suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and physical address on all grant applications to AmeriCorps. The legal applicant's name and physical address in eGrants must match exactly the applicant's SAM-registered information.**

Applications must include a valid Unique Entity Identifier (UEI), which is generated as part of the SAM registration process. AmeriCorps will not make awards to entities that do not have a valid SAM registration and UEI.

Applications must include an Employer Identification Number. The UEI and Employer Identification Number must be entered by the organization's Grantee Administrator as an

organization attribute, and this will apply the information to all applications for the organization.

If an applicant has not fully complied with these requirements by the time AmeriCorps is ready to make a federal award, AmeriCorps may determine that the applicant is not qualified to receive an award and use that determination as a basis for making a federal award to another applicant.

D.4. Submission Dates and Times

D.4.a. Application Submission Deadline

Applications are due not later than **Friday, March 21, 2025, by 5:00 p.m. Eastern Time.**

AmeriCorps will not consider applications submitted after the deadline, except as noted in [Section D.4.c. Late Applications](#). AmeriCorps reserves the right to extend the submission deadline. AmeriCorps will post a notification in the event of an extended deadline on AmeriCorps' website.

D.4.b. Additional Documents Deadline

Additional documents are due by the application submission deadline. See [Sections D.4.a. Application Submission Deadline](#) and [D.7.b. Submission of Additional Documents](#) for more information.

D.4.c. Late Applications

All applications received after the submission deadline published in this Notice, of **Friday, March 21, 2025, at 5:00 pm Eastern Time**, are presumed to be non-compliant. To overcome this presumption, the applicant must:

- submit a written explanation or justification of the extenuating circumstance(s) that caused the delay, including:
 - the timing and specific cause(s) of the delay
 - the ticket number if a request for assistance was submitted to the AmeriCorps Hotline
 - any information provided to the applicant by the AmeriCorps Hotline
 - any other documentation or evidence that supports the justification
- ensure that AmeriCorps receives the written explanation or justification and any other evidence that substantiates the claimed extenuating circumstance(s), via email to AmeriCorpsSeniors@americorps.gov no later than 24 hours after the application deadline as stated in the Notice

Communication with AmeriCorps staff, including an applicant's portfolio manager, is not a substitute for a written explanation or justification of the extenuating circumstance that caused the delay as outlined above. Applicants are required to continue working in [eGrants, AmeriCorps' web-based application system](#), and with the AmeriCorps Hotline to submit the application. AmeriCorps will determine whether or not to accept a late application on a case-by-case basis.

Applicants that do not meet the application submission deadline and do not submit a written explanation or justification or any other evidence to overcome the presumption of non-compliance within the published timeframe will be deemed noncompliant. If AmeriCorps sustains a noncompliant determination, the application will not be reviewed or selected for award.

AmeriCorps will *not* consider an advance request to submit a late application. Please carefully review and follow the guidance in this section and submit your application as soon as possible.

D.5. Intergovernmental Review

This Notice is not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

D.6. Funding Restrictions

D.6.a. Award Funding Requirements

Awards under this Notice are subject to cost share or matching requirements. The amount of funding AmeriCorps provides will be limited to 90 percent of the total allowable costs for the funded activity, as determined under [2 CFR Part 200, Subpart E-Cost Principles](#).

There are also limitations on the use of Federal funds to recover indirect costs. As provided in [2 CFR 200.306\(c\)](#), unrecovered indirect costs may be included as part of an applicant's cost sharing or matching requirements.

D.6.b. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants may either use a federally approved indirect cost rate or a 15 percent *de minimis* rate of modified total direct costs, or may claim certain costs directly, as outlined in [2 CFR 200.413](#). States, local governments, and Indian Tribes may use previously approved indirect cost allocation plans. All methods must be applied consistently across all federal awards. Applicants with a federal negotiated indirect cost or *de minimis* rate must enter that information in the Organization section in eGrants.

The instructions for how to enter the organization's indirect cost rate or *de minimis* rate are located here: [eGrants Indirect Cost Guidance](#). Applicants should not submit documentation addressing the indirect cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@AmeriCorps.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.6.c. Pre-Award Costs

Pre-award costs, where authorized, are allowed after receiving written approval from AmeriCorps.

D.7. Other Submission Requirements

D.7.a. Electronic Application Submission in eGrants

Applicants must submit applications electronically via [eGrants, AmeriCorps' web-based application system](#). AmeriCorps recommends that applicants create an eGrants account and begin the application at least three weeks before the deadline. Applicants should draft the application as a Word document, then copy and paste the text into the appropriate eGrants field no later than 10 days before the deadline.

The applicant's authorized representative must be the person who submits the application. The authorized representative must use their own eGrants account to sign and submit the application. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office. **The authorized representative and the project director must not be the same person and must not have the same email address.** Please ensure that different names are entered in your eGrants program information. Applications will be returned for corrections if the authorized representative and the project director have the same contact information.

Applicants should contact the AmeriCorps Hotline at (800) 942-2677 if they have a problem when they create an account, prepare, or submit the application. AmeriCorps Hotline hours are also posted on the [AmeriCorps Hotline Website](#).

Be prepared to provide the application ID, the organization's name, and the name of the Notice to which the organization is applying. If the issue cannot be resolved by the deadline, applicants must continue working with the AmeriCorps Hotline to submit via eGrants. Applicants should refer to [Section D.4.c.](#) for the late application process.

If circumstances make it impossible for an applicant to submit in eGrants, applicants may send a paper copy of the application via overnight carrier below. Applicants must include a written explanation and any other documentation or evidence that supports their inability to submit their application electronically.

Please use a non-U.S. Postal Service carrier to avoid security-related delays. **All deadlines and requirements in this Notice also apply to paper applications. AmeriCorps does not accept applications submitted via fax or email.**

D.7.b. Submission of Additional Documents

Applicants are required to submit the following additional documents by the application submission deadline:

1. All renewal applicants, regardless of funding level, are required to submit an [Operational and Financial Management Survey \(OFMS\)](#) electronically. Please submit the OFMS using the [link to the online form](#), where you will be required to submit your

response electronically. Forms submitted as a Word document, PDF, or any other document format may not be accepted.

2. Tribal organization eligibility documentation (See [Section C.1 Eligible Applicants](#)), if applicable.

Failure to submit the required additional documents by the deadline may have a negative effect on the assessment of your application.

Do not submit any items that are not requested in this Notice. AmeriCorps will not review or return them.

E. APPLICATION REVIEW INFORMATION

Selection Criteria

Applications should include a well-designed plan with clear and compelling justifications for receiving the requested funds. AmeriCorps Seniors Foster Grandparent Program **Continuation Grantees must review section E.1.** and **Renewal Grantees must review section E.2.** and provide the information as instructed.

E.1. Continuation Applications (Grantees Entering Year 2 or Year 3)

Updated 3/7/25: Because eGrants is our system of record, it is critical that previous information remains and that you update **only in response to compliance with Executive Orders.**

Organizations that have current program awards that continue beyond FY 2024 must submit an application in order to be eligible to receive funding for the following year. **If a continuation application is not submitted by the due date, or if the late application process outlined in [Section D.4.c](#) is not followed, this will be an indication that the organization is no longer interested in receiving funding.**

To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant. AmeriCorps reserves the right to award applications in an amount less than the requested level of funding and will document the rationale for doing so.

Please pay attention to new requests for your FY 2025 continuation application. These items are important and may be repeated several times in this document.

Updated 3/7/25: Please do not make any revisions to the narratives aside from the Other Narrative **except those necessary to ensure compliance with applicable Executive Orders.** For more information on Executive Orders, please refer to the White House website [Presidential Actions - The White House.](#)

NEW: Per the FY 2025 Final Rule, grantees have the flexibility to supplement stipends with their own funds, allowing them to adjust hourly rates as needed to recruit and support older adults in their communities.

Define Geographical Service Area: Ensure your service area as identified on the SF-424 Face Sheet of the application accurately reflects your approved geographical service area.

Do not add or delete any approved service areas, only ensure the format is followed from below.

- The Areas Affected by the Project field (appears on the SF-424 Face Sheet and is completed in the “Application Info” section of eGrants) is where you define the geographical service area for the project. List county, parish, or tribal land names only—do not list cities, towns, etc., or provide any other information. When entering the Areas Affected by the Project, use the following format. Your application will be returned for resolution if you deviate from this format:

If serving counties or parishes in one state

Vermont: Addison, Orange, Washington

If serving a tribal land

Arizona: Fort Yuma-Quechan Tribal lands

If serving counties or parishes in multiple states

Arkansas: Crittenden

Mississippi: DeSoto

Tennessee: Fayette, Shelby

Updated 3/7/25: E.1.a. Executive Summary, E.1.b. Program Design, and E.1.c. Organizational Capability

Do not make any adjustments to the following sections: Strengthening Communities, Recruitment and Development, Program Management, or Organizational Capability **except** when necessary to ensure compliance with applicable executive orders. For more information on Executive Orders, please refer to the White House website [Presidential Actions - The White House](#). If you have additional updates for any of these sections **unrelated to executive orders**, please see Section E.1.d. Other Narrative for instructions.

1. Review the Executive Order Gov. Delivery message sent to grantees on February 11, 2025.
2. Assess the application narratives for noncompliant activities and remove or update any language related to noncompliant activities.

Updated 3/7/25: E.1.d. Other Narrative

Please use headings or titles to help organize information within the Other Narrative.

E.1.d.i. FY25 Continuation Programmatic Updates

If making adjustments to your application that would normally impact other narratives, *including but not limited to* the number of Volunteer Service Years (VSYs), recruitment,

policies, and/or staffing changes, briefly summarize these changes in the Other Narrative with a heading noting the changes.

E.1.d.ii. Carry Forward

If you are including carry forward funds in your budget, please provide the following statement:

- We are including \$XX,XXX in carry forward funding and have added XX VSYs because of the carry forward.

E.1.d.iii. Supplemental Stipend (If Applicable)

If choosing to supplement the hourly stipend with grantee share, please provide the following statement:

- Through grantee share, an additional \$X.XX per hour will be provided to all AmeriCorps Senior volunteers serving on the grant.

E.1.e. Work Plans/Performance Measures

Information will automatically copy from your previously awarded application into your continuation application. Grantees should take this opportunity to revise work plans to accurately reflect the number of VSYs and active volunteers in your program. You should also align the work plans to current community needs. If making any changes to the work plans, please briefly summarize those changes in the Other Narrative also.

Ensure the minimum cost per VSY is met. For every \$9,000 of federal funding, one VSY must be placed in the “anticipated unduplicated volunteers” field of a work plan in the Education focus area. For example, if requesting \$90,000 in federal funding, at least 10 VSYs need to be included in the “anticipated unduplicated volunteers” field of work plans in the Education focus area. Please see the [Appendix E: Grant Application Instructions](#), [Appendix G: Cost Per Volunteer Calculator Worksheet](#), and [Appendix B: AmeriCorps Seniors Foster Grandparent Program Performance Measure Instructions](#) for more information.

E.1.f. Budget

All AmeriCorps Seniors grantees must budget for one staff person, primarily the Project Director, to attend the AmeriCorps Seniors annual convening or, in the event an in-person convening does not occur, funds to attend another training event. Grantees may budget for an additional staff member to attend the event if funds permit. The recommended amount for budgeting purposes is \$2,000. Long distance travel funds may be re-budgeted later in the year depending on actual training activities.

Update the budget if necessary. Budgets must include:

- Expenses for the period of July 1, 2025, through June 30, 2026.
- Travel costs for at least one staff person to attend the AmeriCorps Seniors annual convening in FY 2025.

- At least 10% match unless the grantee has an approved match waiver. Please see [Section C.2](#) for information on the match.
- Number of VSYs in the stipend line item meets the minimum cost per VSY requirement and includes all VSYs for the project.

NEW: Per the FY 2025 Final Rule, grantees have the flexibility to supplement stipends with their own funds in the grantee share, allowing them to adjust hourly rates as needed to recruit and support older adults in their communities. If you intend to supplement stipends, that amount should be included in the budget.

- Add a new line item in Budget Section II. Supplemental Stipend by clicking “Add a new budget item.”
- In the “Item” field, enter: Supplemental Stipend.
- In the “Description” field, enter: **[\$[Supplemental amount] per hour for all volunteers; \$[Supplemental amount] x 1044 x [Number of VSYs] VSYs = \$[Total Supplemental Stipend Amount]**
 - For example, if you are offering \$0.50 an hour in supplemental stipends and have 15 VSYs, you would enter:

$$\$0.50 \text{ per hour for all volunteers; } \$0.50 \times 1044 \times 15 \text{ VSYs} = \$7,830$$
- In the “Total Amount” field, enter the total supplemental stipend amount.
- Enter “0” in the “CNCS Share” and “Excess Amount” fields.
- Enter the total supplemental stipend amount in the “Grantee Share” field.
- Ensure you also enter the information in the Other Narrative as specified in E.1.d.iii.

E.2. Renewal Applications

Organizations that have current program awards and are eligible for renewal funding must submit an application in order to be eligible to receive funding for the following year. If a renewal application is not submitted by the due date, or if the late application process outlined in [Section D.4.c](#) is not followed, this will be an indication that the organization is no longer interested in receiving funding.

All organizations who submit a renewal application are required to review and update the executive summary, narratives, and work plan for the entire three years of the grant cycle. Previous grant information will auto-populate. However, check to ensure there have not been changes to the application requirements in this Notice and that all narrative fields have been adequately addressed. Update sections as needed.

Updated 3/7/25: Ensure your planned activities and programming comply with applicable executive orders. For more information on Executive Orders, please refer to the White House website [Presidential Actions - The White House](#).

Define Geographical Service Area: Ensure your service area as identified on the SF-424 Face Sheet of the application accurately reflects your approved geographical service area. If

you wish to add counties that are not part of your approved service area, you must request the addition and receive prior approval before including new counties in your application. Please contact your portfolio manager for more information.

- The Areas Affected by the Project field (appears on the SF-424 Face Sheet and is completed in the "Application Info" section of eGrants) is where you define the geographical service area for the project. List county, parish, or tribal land names only—do not list cities, towns, etc., or provide any other information. When entering the Areas Affected by the Project, use the following format. Your application will be returned for resolution if you deviate from this format:

If serving counties or parishes in one state

Vermont: Addison, Orange, Washington

If serving a tribal land

Arizona: Fort Yuma-Quechan Tribal lands

If serving counties or parishes in multiple states

Arkansas: Crittenden

Mississippi: DeSoto

Tennessee: Fayette, Shelby

NEW: Additionally, per the FY 2025 Final Rule, grantees have the flexibility to supplement stipends with their own funds, allowing them to adjust hourly rates as needed to recruit and support older adults in their communities.

Please revise work plans to align with the three-year performance period, including adding or removing work plans as necessary. Grantees must ensure their work plans accurately reflect the number of VSUs and the number of active volunteers enrolled in their AmeriCorps Seniors Foster Grandparent Program. Work plans are entered into the Performance Measure Module in eGrants. E.3. Review and Selection Process

AmeriCorps will engage Staff Reviewers with relevant knowledge and expertise to assess and provide input on the eligible applications. The review and selection process is intended to produce a diversified set of high-quality programs that represent the priorities and strategic considerations described in this Notice. The determinations made by AmeriCorps reviewers may be different from what the applicant self-determined upon submission of its application. The stages of the review and selection process follow:

E.3.a. Initial Application Compliance and Eligibility Review

AmeriCorps will conduct an initial Compliance and Eligibility Review to determine if an application meets the eligibility requirements published in this Notice and advances to the next stage of the review process.

An application is compliant if the applicant:

- is an eligible organization
- submitted an application by the submission deadline

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, determinations of eligibility can take place at any point during the application review and selection process. Applicants that are determined to be ineligible will not receive an award.

E.3.b. Application Review

Internal Review

AmeriCorps Staff Reviewers will assess the applications based on the Program Design, Organizational Capability, Cost-Effectiveness, and Budget Adequacy Selection Criteria (E.1 and E.2). Staff Reviewers will also consider the priorities and strategic considerations detailed in this Notice. All Staff Reviewers will be screened for conflicts of interest.

E.3.c. Applicant Clarification

AmeriCorps may ask an applicant for clarifying information. AmeriCorps staff will use this information to make funding recommendations. A request for clarification does not guarantee an award. Applicants may be recommended for funding even if they are not asked for clarifying information. An applicant's failure to respond to a request for clarification adequately and in a timely manner may result in the removal of its application from consideration.

E.3.d. Pre-Award Risk Assessment

AmeriCorps staff will assess the risks to the program posed by each applicant to determine an applicant's ability to manage federal funds. This evaluation is in addition to assessments regarding the applicant's eligibility and the quality of its application on the basis of the Selection Criteria (E.1 and E.2). Results from this assessment will inform funding decisions. If AmeriCorps determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk may be applied to the award. Applicants may not be selected for funding if AmeriCorps determines that the applicant's risks cannot be mitigated.

In assessing risks, AmeriCorps may consider the following criteria:

1. Due Diligence, including:
 - Federal debt delinquency
 - suspension and debarment
 - information available through Office of Management and Budget (OMB)- designated repositories of government-wide eligibility qualification or financial integrity information, such as:
 - U.S. Treasury Bureau of Fiscal Services
 - System for Award Management (SAM)
 - "Do Not Pay"
 - reports and findings from single audits performed under Uniform Administrative Guidance and findings of any other available audits or investigations
 - IRS Tax Form 990
 - Oversight.gov
 - Public Litigation Records
2. Operational and Financial Management, including:
 - financial stability
 - [Operational and Financial Management Survey \(OFMS\)](#) for renewal applicants only

3. Past Performance, including:

- an applicant's record in managing previous AmeriCorps awards, cooperative agreements, or procurement awards, including:
 - timeliness of compliance with applicable reporting requirements
 - accuracy of data reported
 - validity of performance measure data reported
 - conformance to the terms and conditions of previous federal awards
 - applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients
 - timely closeout of other awards
 - meeting matching requirements
 - the extent to which any previously awarded amounts will be expended prior to future awards
 - National Service Criminal History Check (NSCHC) compliance. See section F.2.d. National Criminal History Check Requirements and the [NSCHC webpage](#) for more information

4. **Updated 3/7/25:** Other Programmatic Risks, including:

- publicly available information, including from the applicant organization's website
- amount of funding requested by the organization
- Other elements considered relevant per Program Office, such as prohibited activities and/or compliance with applicable Trump-Vance administration executive orders

Applicants will find information to help them understand pre-award due diligence checks in the [AmeriCorps Due Diligence Review Process and Compliance](#) training available on the [Manage Your Grant](#) website under the Training and Technical Assistance link. This content will help applicants obtain due diligence compliance and remain compliant throughout the grant lifecycle.

E.3.e. Consideration of Integrity and Performance System Information

Prior to making any award that exceeds the \$250,000, AmeriCorps is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM.gov (See [41 U.S.C. §2313](#)). Additionally, AmeriCorps may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under \$250,000.

Any applicant may review information in the designated integrity and performance systems accessible through SAM.gov and comment on any information about itself that a federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through SAM.gov.

AmeriCorps may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the Risk Assessment Evaluation section of this Notice.

E.3.f. Selection for Funding

The review and selection process are designed to:

- identify how well eligible applications are aligned with the application selection criteria (E.1 and E.2)
- build a diversified portfolio based on the following strategic considerations:
 - AmeriCorps Funding Priorities (See Section A.2. *Funding Priorities*)
 - meaningful representation of
 - geographic area
 - rural communities
 - small and medium programs
 - single and multi-state programs
 - faith-based organizations
 - focus areas
 - innovative community strategies for identified funding priorities
 - AmeriCorps Seniors Director's discretion to advance strategic goals

In selecting applicants to receive awards under this Notice, the AmeriCorps Seniors Director will endeavor to include a diversified portfolio of applications based on staff recommendations, alignment with selection criteria, and strategic considerations.

AmeriCorps reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.

AmeriCorps reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the selection criteria (E.1. and E.2.) that will be used to assess applications.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

F.1. Federal Award Notices

AmeriCorps will make awards following the selection announcement. AmeriCorps anticipates announcing the results of this funding opportunity by June 2025 contingent on the

availability of congressional appropriations. All applicants, successful or not, will be notified of funding decisions via email.

Notification of an award is not an authorization to begin activities. The Notice of Grant Award signed by the Office of Grant Administration Grant Award Specialist is the authorizing document. An awardee may not expend federal funds until the start of the Period of Performance identified on the Notice of Grant Award.

F.2. Administrative and National Policy Requirements

F.2.a. Uniform Guidance

All awards made under this Notice will be subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) in [2 CFR Parts 200](#) and [2205](#).

F.2.b. Requests for Monitoring or Payment Integrity Information

AmeriCorps will request documentation from award recipients in order to monitor the grantee and award to ensure compliance with legal requirements, including the [Payment Integrity Information Act of 2019](#). Failure to make timely responses to these requests may result in award funds being placed on manual hold, reimbursement-only status, or other remedies that may be applied as appropriate.

F.2.c. AmeriCorps Terms and Conditions

All awards made under this Notice will be subject to the [FY25 AmeriCorps General Terms and Conditions](#), and the FY25 Program-Specific Terms and Conditions for the particular program (when applicable). These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the AmeriCorps General and Program-Specific Terms and Conditions for each of its programs are available at the [AmeriCorps Seniors Foster Grandparent Program Grantee page](#).

F.2.d. National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. We encourage grantees to minimize barriers to service without putting their program beneficiaries at genuine risk. The law requires grantees to conduct and document NSCHCs on persons (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend, or education award through a program receiving AmeriCorps funds. This includes staff that receive part of their salary through a subgrant.

- Award recipients and subrecipients must conduct an NSCHC for AmeriCorps members, AmeriCorps Seniors volunteers, and all staff funded under, or whose salary is reflected as match on, the award. Limited exceptions are described in [45 CFR § 2540.201](#).
- AmeriCorps strongly encourages applicants to review the regulations and additional guidance to fully understand how to comply with the requirements. See [NSCHC regulations and guidance](#).

- AmeriCorps also strongly encourages award recipients to utilize the two AmeriCorps-approved vendors to conduct the required NSCHCs.
- The cost of conducting NSCHC is an allowable expense under the award and individuals subject to the NSCHC must not be required to cover the cost.
- Failure to fully comply with all NSCHC requirements will result in significant disallowed costs.

Recipients must complete the following criminal history checks:

1. National Sex Offender Public website through NSOPW.gov (nationwide check);
2. State criminal history record repository or agency-designated alternative for the individual's State of residence *and* State of service; and
3. Fingerprint-based check of the FBI criminal history record database through the State criminal history record repository or agency-approved vendor.

All checks must be conducted, reviewed, and an eligibility determination made before the individual begins work or service.

An individual is not eligible to serve or work in a position subject to the NSCHC requirements if:

- the individual refuses to consent to a criminal history check
- makes a false statement in connection with a criminal history check
- is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry
- has been convicted of murder, as defined in 18 U.S.C. 1111

See [45 CFR 2540.200- 2540.207](#) and [National Service Criminal History Check Resources](#) for complete information and FAQs.

F.2.e. Official Guidance

AmeriCorps' active guidance is available on the [agency's guidance webpage](#). The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

F.3. Use of Material

To ensure that materials generated with AmeriCorps funding are available to the public and readily accessible to recipients and non-recipients, AmeriCorps reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so ([2 CFR §200.315](#)).

F.4. Reporting

Recipients are required to submit a variety of reports that are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Recipients are required to provide annual progress reports and semi-annual financial reports through AmeriCorps' web-based grants management system.

In addition, at the end of the award period, a grantee must submit final financial and progress reports that are cumulative over the entire award period and consistent with the closeout requirements. The final reports are due 120 days after the end of the period of performance.

Award recipients will be required to report at [Federal Funding Accountability and Transparency Act Subaward Reporting System \(FSRS\)](#) on all subawards over \$30,000, and may be required to report on executive compensation for the recipient organization and its subrecipients. Recipients must have the necessary systems in place to collect and report this information. See [2 CFR Part 170](#) for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have in place data collection and data management policies, processes, and practices that provide assurance that they are reporting high quality performance measure data. At a minimum, recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- data measures what it intends to measure
- data reported is complete
- grantee collects data in a consistent manner
- grantee takes steps to correct data errors
- grantee actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the recipient's ability to secure future AmeriCorps funding.

F.5. Continuation Funding Information and Requirements

Organizations that have current AmeriCorps Seniors Foster Grandparent Program awards that continue beyond FY 2025 must submit an application in order to be eligible to receive funding for the following year. Please see the [Appendix E: Grant Application Instructions](#). Requests by existing continuation applicants for increases in the level of funding will be assessed using the selection criteria (E.1. and E.2.) published in this Notice.

The review will also be based on progress reports, the federal financial report, evaluation plans, and AmeriCorps staff's knowledge of the grant program. To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant.

AmeriCorps reserves the right to award applications in an amount less than the requested level of funding and will document the rationale for doing so.

I. IMPORTANT NOTICES
