E-SIGN Act Disclosure and Consent ("Consent Agreement")

Pursuant to the Federal Electronic Signatures in Global and National Commerce Act ("E-Sign Act"), you have a right to receive any disclosures or notices in a non-electronic form. Before providing electronic signatures or obtaining legally required disclosures and notices electronically, please review and indicate your acceptance of the terms below. If you do not accept these terms or do not agree to the use of electronic disclosures and signatures, we will provide you with, or make available to you, any required disclosures on paper or non-electronic form at no additional charge to you.

1. Intent to Use Electronic Signatures

By clicking on the "I Agree" button below—which you hereby adopt as your electronic signature—you affirmatively consent and agree that you are signing this Consent Agreement electronically and your electronic signature on agreements and documents has the same effect as if you signed them in ink. You further agree that your electronic signature is the legal equivalent of your manual signature and will continue to be throughout the fingerprinting process. By clicking on the "I Agree" button below, you agree to the use of electronic signatures, such as your act of clicking, checking or otherwise manifesting your assent throughout the fingerprinting process. You further agree that your use of a key pad, mouse or other device to select an item, button, icon or similar act/action, or in providing or making any agreement, acknowledgement, or consent constitutes your signature (hereafter referred to as "E-Signature"), acceptance and agreement as if actually signed by you in writing. You also agree that no certification authority or other third party verification is necessary to validate your E-Signature and that the lack of such certification or third party verification will not in any way affect the enforceability of your E-Signature or any resulting contract.

2. Consent to Electronic Disclosures & Notices

By clicking on the "I Agree" button below, you consent to the electronic delivery of any disclosures, agreements, change notices, terms and conditions and any other documents throughout the fingerprinting process. Your consent applies to any disclosures and notices required to be provided to you in accordance with Federal or state law or regulations. You also agree that we do not need to provide you with additional paper (non-electronic) copies of the disclosures, agreements, change notices, terms and conditions and any other documents, unless specifically requested. If you would like to request additional paper copies of any of the aforementioned documents, you may do so at no additional charge to you by emailing CustomerService@fieldprint.com.

3. Withdrawal of Consent to Electronic Signatures & Electronic Disclosures

You may withdraw your consent to use electronic signatures or to receive electronic disclosures at any time by contacting us via email at CustomerService@fieldprint.com. Any withdrawal of your consent to receive electronic disclosures or to use electronic signatures will be effective only after we have a reasonable period of time to process your withdrawal. However, withdrawing your consent to this Consent Agreement will terminate your ability to provide electronic signatures and to receive disclosures and other documents electronically. Continuing to provide electronic signatures after withdrawing consent is reaffirmation of your consent to the use of electronic signatures under the E-SIGN Act.

4. You Must Keep Your Contact Information Current

In order for us to be able to provide you with important notices and other information from time to time, you must ensure that the contact information in your online profile is current. This includes, but is not limited to, name, address, phone numbers, and e-mail or other electronic addresses. In order to update your information, contact us via email at CustomerService@fieldprint.com.

5. Hardware and Software You Will Need

To use our online processes, you will need Internet Browser software that supports at least 128-bit encryption, a current version of a program that accurately reads and displays PDF files (such as Adobe Acrobat Reader), a printer if you wish to print out and retain records, disclosures, etc. on paper, and a current and valid e-mail address. You are responsible for the installation, maintenance, and operation of the computer and browser software that you use for these online services.

By clicking on the "I Agree" button below, you acknowledge that you are able to access information in the electronic form that will be used to provide the information that is the subject of this Consent Agreement.

Please indicate your consent to the use of electronic signatures and your consent to receiving disclosures and notices electronically by clicking on the "I Agree" button below. By providing your consent, you are also confirming that you have the hardware and software described above, that you are able to provide electronic signatures, and that you have an active email account. You are also confirming that you are authorized to provide this consent.

By clicking on the I Agree button I agree to the use of electronic signatures and to receiving documents and disclosures electronically.

FBI Noncriminal Justice Applicant's Privacy Rights

★ — Required Fields

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing. ⁽¹⁾ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council. ⁽²⁾
- You have the right to report any breaches of personal identifying information (PII) directly to the FBI should you believe your information has been mishandled or compromised at <https://www.edo.cjis.gov>

⁽¹⁾ Written notification includes electronic notification, but excludes oral notification.

⁽²⁾ <https://www.fbi.gov/services/cjis/compact-council/privacy-act-statement>

⁽³⁾ See 5 U.S.C. 552a(b); 28 U.S.C. 534(b); 34 U.S.C. § 40316 (formerly cited as 42 U.S.C. § 14616), Article IV(c); 28 CFR 20.21(c), 20.33(d) and 906.2(d).

DERECHOS DE PRIVACIDAD DE SOLICITANTES - JUSTICIA, NO CRIMINAL

Como solicitante sujeto a una indagación nacional de antecedentes criminales basado en huellas dactilares, para un propósito no criminal (tal como una solicitud para empleo o una licencia, un propósito de inmigración o naturalización, autorización de seguridad, o adopción), usted tiene ciertos derechos que se entablan a continuación. Toda notificación se le debe proveer por escrito. ⁽¹⁾ Estas obligaciones son de acuerdo al Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, y Title 28 Code of Federal Regulations (CFR), 50.12, entre otras autorizaciones.

- Se le debe proveer una Declaración de la Ley de Privacidad del FBI (con fecha de 2013 o más reciente) por escrito cuando presente sus huellas digitales e información personal relacionada. La Declaración de la Ley de Privacidad debe explicar la autorización para tomar sus huellas digitales e información relacionada y si se investigaran, compartiran, o retendran sus huellas digitales e información relacionada. ⁽²⁾
- Se le debe notificar por escrito el proceso para obtener un cambio, corrección, o actualización de su historial criminal del FBI según delineado en el 28 CFR 16.34.
- Se le tiene que proveer una oportunidad de completar o disputar la exactitud de la información contenida en su historial criminal del FBI (si tiene dicho historial).
- Si tiene un historial criminal, se le debe dar un tiempo razonable para corregir o completar el historial (o para rechazar hacerlo) antes de que los funcionarios le nieguen el empleo, licencia, u otro beneficio basado en la información contenida en su historial criminal del FBI.
- Si lo permite la política de la agencia, el funcionario le podría otorgar una copia de su historial criminal del FBI para repasarlo y posiblemente cuestionarlo. Si la política de la agencia no permite que se le provea una copia del historial, usted puede obtener una copia del historial presentando sus huellas digitales y una tarifa al FBI. Puede obtener información referente a este proceso en <https://www.fbi.gov/services/cjis/identity-history-summary-checks> y <https://www.edo.cjis.gov>.
- Si decide cuestionar la veracidad o totalidad de su historial criminal del FBI, deberá presentar sus preguntas a la agencia que contribuyó la información cuestionada al FBI. Alternativamente, puede enviar sus preguntas directamente al FBI presentando un peticion por medio de <https://www.edo.cjis.gov>. El FBI luego enviara su petición a la agencia que contribuyó la información cuestionada, y solicitará que la agencia verifique o corrija la información cuestionada. Al recibir un comunicado oficial de esa agencia, el FBI hará cualquier cambio/corrección necesaria a su historial de acuerdo con la información proveída por la agencia. (Vea 28 CFR 16.30 al 16.34.)
- Usted tiene el derecho de esperar que los funcionarios que reciban los resultados de la investigación de su historial criminal lo usaran para los propósitos autorizados y que no los retendran o diseminaran en violación a los estatutos, normas u ordenes ejecutivos federales, o reglas, procedimientos o normas establecidas por el National Crime Prevention and Privacy Compact Council. ⁽³⁾
- Tiene derecho a informar cualquier violación de la información de identificación personal (PII) directamente al FBI si cree que su información ha sido mal manejada o comprometida en: <https://www.edo.cjis.gov>.

⁽¹⁾ La notificación por escrito incluye la notificación electrónica, pero excluye la notificación verbal.

Privacy Act Statement

This privacy act statement is located on the back of the [FD-258 fingerprint card](#).

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

STEP 4: RESEARCH BEGINS

Once all application steps are completed, Truescreen will begin research on the background screening report. For additional information on the progress of the case, log back in to [ApplicationStation](#) to review application status or reach out to the Applicant Service team at applicantsservices@truescreen.com or 1-800-260-1680.

If your criminal history check results in information that may impact your eligibility to work or serve on an AmeriCorps program (called an “adverse” or “not cleared” result), your selecting organization must give you the opportunity to review and challenge the factual accuracy of the check result before they exclude you from the position. In most cases, Truescreen will mail you a letter informing you of your adverse check result with instructions to challenge the result. Review the **Truescreen AmeriCorps Applicant FAQs** document or contact your selecting organization for guidance.
