While I have not previously volunteered with an organization, I have been very helpful with my family and within my community. A lot of my time is taken up by school and work but when I am off, I take care of my brothers and help my older neighbors with groceries and yard work. I receive a lot of joy from helping out and want to learn how to volunteer so that I can help my community when I return home.

If you don't have any formal volunteering experience, you must still complete this section. Do not write "n/a" or "not applicable."

If you have not volunteered previously, explain:

- How you've been involved in your community, **and**
- Why you're interested in service.

Application: Criminal History - Step 6 of 8

Read all of the instructions and answer the questions honestly. Having a record does not automatically prevent you from serving with AmeriCorps. Each applicant is considered individually by program staff, and we will be better able to clear you through our application process if you fill out this section completely and accurately.

Create Application: step 6 of 8

✓ Motivational Statement > ✓ Skills & Experience > Education > ✓ Community Service > ✓ Employment History > Criminal History Questionnaire > ✓ Demographic Information > References

Criminal History Questionnaire

The AmeriCorps application process requires a criminal history check to ensure community members with whom we work are protected, particularly children, individuals with disabilities, and individuals over 60 years old.

We are investigating for past sexual offenses and violent crimes, or crimes that would have a direct bearing on your service. This background check will entail a search of the National Sex Offenders Public Registry and may include a statewide criminal history repository check and/or a FBI criminal history check, which will require you to submit fingerprints.

You will not be permitted to serve or work with children, individuals with disabilities, or individuals over 60 years of age, without supervision, until the history check is complete and you are cleared. The review process is not lengthy, and normally is completed within weeks.

Answer the following questions fully. Existence of a criminal conviction or juvenile adjudication may or may not, depending on circumstances, disqualify you from consideration. However, any intentional misrepresentation or omission is grounds for disqualification.

[Click here for help.](#)

Answer the following questions and include misdemeanors and any offense that led to pre-trial intervention and/or fines other than speeding or parking tickets.

* Have you ever been convicted as an adult, or adjudicated as a juvenile offender, of at least one criminal offense by either a civilian or military court?	<input type="radio"/> Yes <input type="radio"/> No
* Are you currently facing charges for any offense, on probation or parole?	<input type="radio"/> Yes <input type="radio"/> No

If you answered yes to any of the questions above, please provide the following information. (To record multiple convictions/adjudications, click the "add another" button, below.)

Application: Demographic Info - Step 7 of 8

Read all instructions and answer the questions appropriately. Select all answers pertinent to you.

Demographic Information

The following two questions are optional and will not affect whether you are accepted into AmeriCorps or any benefits that you may receive. Your answers may be used to assess who applies to AmeriCorps, and whether the applicant pool is reflective of the demographics of the US population.

Application: References - Step 8 of 8

You'll need to add two (2) professional references to complete your application. References are among the most important parts of the application. References should NOT come from personal sources like family members, peers, classmates, co-workers, or friends; instead, references should include work supervisors, teachers, counselors, coaches, faith leaders, or others familiar with your motivation and community involvement.

All information for the reference must be filled out completely. If you are unsure of your reference's street address, call them up.

This is also a good way for you to let them know that you're using them as a reference.

John Franklin is applying to be an AmeriCorps member. The applicant indicated that you would be able to evaluate his or her qualifications and provide us with a candid recommendation.

The success of AmeriCorps largely depends upon an appropriate match between programs and members. Considerable value is placed on personal references during the application review and selection process. To complete a reference form for this applicant, please click on the link provided below.

Thank you for taking the time to fill out the AmeriCorps reference form. Your input is greatly appreciated.

To confirm that your application is complete, navigate back to your applicant homepage and click "Applications" on the left side of your screen. The application(s) you have created will appear here as either "complete" or "incomplete." You must have a complete application in the portal in order to apply to AmeriCorps opportunities.

Important things to remember when filling out the application:

- Do your research so that you're already familiar the AmeriCorps opportunity of your choice. Knowing the programs' basic structure will help you complete the application and know what we're looking for.
- The "Why Do I Volunteer" and "Motivational Statement" sections are your chance to show us who you are. These sections should be answered thoughtfully and to the best of your abilities. We are looking for your motivation to serve and a clear picture of you as an applicant. As a reminder, type your motivational statement in a separate document, then copy and paste it into the corresponding text box when you are ready. This will ensure your work is not lost.
- References are important and have a big influence on being selected for service. Ensure that both are from professional contacts and have been completed. References must be completed within the past 2 years. And remember, your references do not have to be completed for you to move forward in submitting your application. It may take some time for your references to complete your request and send them back. Don't wait to submit your application to a program listing.
- Fill out the entire application and add as much detail as possible. If you do not have a phone number or address for a job or volunteer opportunity, make every effort to obtain that information. The more detail, the better.

PART 4: Submit Your Application

The final and most important step in applying is actually submitting your application to your listing of choice. When you are done with the application you need to submit it to each opportunity that you are interested in.

Follow these steps to submit your application:

1. Click "Search Listings" and navigate to your preferred program listing. Alternatively, you can head to the "My Favorites" section of your profile or use the browser bookmark you created in Part 1: Find Your Fit to locate any opportunities you had flagged for yourself.
2. Click on the program name for your preferred AmeriCorps opportunity.
3. Review the program description and click "Apply Now" at the bottom of the page. If you do not see the "Apply Now" option in the listing, it may be because you do not meet the age requirements to serve with that program, or because you do not have a complete application in the system. See page 24 of this guide for tips on how to tell if your application is complete.
 - Verify the application that will be used – it is listed below "submit listing" at the top of the certification screen
 - Read the certification and select one of the option buttons
 - Click "Submit"

Note: Some programs may require you to answer additional questions before you can submit your application to their listings. If this is the case, you'll need to respond to those questions in one sitting; you will not be able to save and return. It's a good idea to give yourself plenty of time to complete this final step.

4. You will receive an email confirmation that your application has been submitted.

[Search listings](#)

You can submit your application to up to 10 AmeriCorps opportunities at once. The MyAmeriCorps portal uses a "common application" model, so you can apply to multiple opportunities if you like.

If you require assistance at any point throughout this process, please call our dedicated AmeriCorps Hotline Monday-Friday* between 9 a.m.-7 p.m. ET at **1-800-942-2677** or send a message to the AmeriCorps Hotline by going to: questions.americorps.gov/app/ask
