IMPORTANT NOTICES SECTION

REQUIRED ATTACHMENTS: Supporting documentation is a critical component of the Service Project Application. The supporting materials requested below will help AmeriCorps NCCC Regional staff develop a better understanding of the proposed project during the application review process. Samples and templates are available from AmeriCorps NCCC Regional staff.

ON-SITE ORIENTATION: Please attach a comprehensive on-site orientation agenda to your application. This should include an overview of your organization and the project, introductions of the team to the staff of the sponsoring organization(s), tour of the work site(s) and the community, safety and security, and a lodging use overview.

TRAINING PLAN: Please attach a training plan outlining the training that AmeriCorps NCCC members will receive during the project. This plan should include tool training, safety training, and project specific training (e.g., positive youth development, tree identification, roofing instruction, etc.). If a variety of tasks have been proposed in the work plan, the training plan should identify how/when members will be trained to perform the task.

PROJECT WORK CALENDAR: Include a project work plan that outlines the schedule of work. The schedule will assist in planning where a team will perform work, which staff member will work with the team, the assigned task(s) for each work day and the number of AmeriCorps NCCC members it will take to complete each task. The work plan calendar is an essential part of demonstrating how the organization will provide at least 40 hours of work for each member of the team.

OPTIONAL ATTACHMENTS: The supporting materials requested below are OPTIONAL and will help AmeriCorps NCCC Regional staff develop a better understanding of the proposed project during the application review process.

LODGING PHOTOS: Please provide at least one clearly labeled photo of the proposed team lodging. Strong applications often include photos of team living quarters, kitchen and bath facilities and storage areas for personal belongings.

WORKSITE PHOTOS OR SUPPORTING DOCUMENTS: If feasible, clearly labeled photos of work site tasks, maps of service site locations (e.g. a camp map, trail system map, community housing map, etc.), or similar supporting documentation sometimes can help support the high level of detail you have provided in the Need Narrative and the Project Design Narrative.

ADDITIONAL PAPERWORK REQUIREMENTS: If the Service Project Application is approved and teams perform the service project, the project sponsor will be required to review and sign two additional documents: the Sponsor Agreement and the Project Completion Report. Sponsoring organizations will also be asked to complete a survey to capture their evaluation of their partnership with AmeriCorps NCCC.

SPONSOR AGREEMENT: Once the Service Project Application has been approved, a formal agreement (called a Sponsor Agreement) will be executed between the sponsoring organization and AmeriCorps NCCC, which will specify the roles, responsibilities, and contributions of both parties. This agreement must be signed by both parties before a team arrives to the project.

PROJECT COMPLETION REPORT: After the project is completed the project sponsor will be required to review, approve, and sign the AmeriCorps NCCC Project Completion Report, and return it to AmeriCorps NCCC regional campus staff within five (5) days of receipt.

SURVEYS: Project sponsors, site supervisors, and secondary sponsors who have used the services of teams will be asked to complete surveys designed to provide AmeriCorps NCCC with feedback that will inform continuous improvement of services.

DISASTER/FIRE RESPONSE: AmeriCorps NCCC members and staff are part of the Federal Emergency Management Agency (FEMA) and American Red Cross National Disaster Response Network. In addition, AmeriCorps NCCC assists local, state, and national forest services with wildfire suppression. Potential project sponsors should note that in the event of a natural disaster or homeland security crisis, members may be recalled from projects to serve as part of the relief efforts. This could result in a decrease in the number of members assigned to your project, a delay in the deployment of a team, or cancellation of a project.

LIABILITY AND WORKERS' COMPENSATION CLAIMS: AmeriCorps is a self-insured federal agency that administers the AmeriCorps National Civilian Community Corps (NCCC) program. Consequently, AmeriCorps NCCC Corps Members, Team Leaders, and Federal employees of AmeriCorps are covered by the provisions of the Federal Tort Claims Act (liability claims) and the Federal Employees Compensation Act (workers' compensation claims) 42 U.S.C.

§12620 (b) & (c). Accordingly, any injuries or property damage proximately caused by the negligence of an AmeriCorps NCCC Member, Team Leader, or AmeriCorps employee will be assumed by the United States Government, if it is determined that the negligent individual was acting within the scope of his/her official service activity or employment at the time of the potentially compensable event. Similarly, any on-the-job injuries received by an AmeriCorps member of the NCCC program or federal employee will be processed by AmeriCorps and the Department of Labor.

OMB Control Number: 3045-0010 Expiration Date: 10/31/2025 **WAIVERS:** No member of an AmeriCorps NCCC Team (including any Corps Member or Team Leader) shall sign any document provided by the Project Sponsor or any representative or employee of the Project Sponsor, including but not limited to: liability waivers, hold harmless agreements, indemnification agreements, or employment-related documents. In the event that a member of an AmeriCorps NCCC Team signs a document provided by the Project Sponsor or any representative or employee of the Project Sponsor, the signature on any such document shall have no force or effect of law. Neither the Team nor any Team Leader or Corps Member thereof, may legally bind the AmeriCorps NCCC Team or the AmeriCorps NCCC Program.

NON-DISCRIMINATION: A Project Sponsor receiving teams from AmeriCorps NCCC will comply with all federal statutes, including the National and Community Service Act of 1990, as amended, relating to nondiscrimination, which includes nondiscrimination on the basis of race, color, national origin, sex, age, disability, and in most instances, religion. AmeriCorps prohibits all forms of discrimination based on race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal assistance from AmeriCorps, must be free from all forms of harassment. Project sponsors will be required to sign an assurance of non-discrimination as part of the Sponsor Agreement.

SERVICE PROJECT LIMITATIONS: In the course of performing a service project, members cannot engage in any project assignments that involves direct fundraising, financial transactions, preparation of a grant application to AmeriCorps or to any other Federal agency, or any political or inherently religious activities.
