## A. PROGRAM DESCRIPTION

### A.1. Purpose of AmeriCorps State and National Native Nation Planning Grant Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism. AmeriCorps members and AmeriCorps Seniors volunteers serve with organizations dedicated to the improvement of communities and those serving. AmeriCorps helps make service a cornerstone of our national culture.

AmeriCorps is committed to working on a Nation-to-Nation basis with Tribal Nations and upholding the federal government's Tribal trust responsibility.

AmeriCorps planning grants provide support to a grant recipient to develop an AmeriCorps program that will engage AmeriCorps members in implementing evidence-based interventions to solve community problems. Grant recipients are awarded up to \$240,000 for a 12-month planning period and are encouraged to compete for an AmeriCorps program grant in the following grant cycle if they deem the fit with AmeriCorps to be of use to their community. A planning grant may not be used to support AmeriCorps members. Applicants will apply for a Cost Reimbursement grant. The project period is no more than a year, with a start date proposed by the applicant. The project start date may not occur prior to the date AmeriCorps awards the grant.

Please see the AmeriCorps Focus Areas in Appendix I.

## A.2. Funding Priorities

AmeriCorps recently released its <u>2022-2026 Strategic Plan</u> which defines the agency's goals, objectives, and strategies to both meet and exceed the agency's mission to improve lives and strengthen communities. Over the next 5 years, AmeriCorps will execute the following goals to better position the agency to respond to national and local needs and help the communities it serves prosper: partner with communities to alleviate poverty and advance racial equity; enhance the experience for AmeriCorps members and AmeriCorps Seniors volunteers; unite Americans by bringing them together in service; effectively steward federal resources; and make AmeriCorps one of the best and most equitable places to work in the federal government.

Over the next five years, AmeriCorps will invest in existing and new partnerships with nonprofit, faith-based, and Tribal organizations, and state service commissions, to get things done for America. We will prioritize investment in the most critical issues of our time – public health, climate and the environment, and education and economic opportunity – within AmeriCorps' Focus Areas (<u>Appendix I</u>) and we will increase our efforts to ensure our AmeriCorps members and AmeriCorps Senior volunteers reflect the communities where they serve. We will target our investments toward communities where the need is greatest, particularly those with populations that face racial inequality and poverty. These steps will enable more Americans than ever to strengthen the communities that need it most across the nation through their service.

AmeriCorps' priorities for this funding opportunity are:

- The needs/challenges in your communities and
- The ability to translate the planning grant award into an application for AmeriCorps programming next year.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

### A.3. Performance Goals or Expected Outcomes

### **National Performance Measures**

AmeriCorps expects applicants to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work and make tactical and strategic adjustments to achieve their goals.

All planning grant applications must include one applicant-determined performance measure that corresponds to the primary focus area of the project being planned (for projects being planned in the Capacity Building focus area, the performance measure should be entered under Other Community Priorities). The applicant-determined performance measure must consist of the specific title, output, and outcome listed in the instructions below, and should use target values of 1 for the output and outcome. No MSYs or members should be associated with the performance measure.

For more information, please refer to the National Performance Measures Instructions found <u>here</u>.

## A.4. Program Authority

Awards under this Notice are authorized by the <u>National and Community Service Act of 1990</u>, as amended, (<u>42 U.S.C. §12501 et seq.</u>)

## **B. FEDERAL AWARD INFORMATION**

### **B.1. Estimated Available Funds**

AmeriCorps welcomes all Native Nation applications. The actual level of funding is subject to the availability of annual appropriations.

## **B.2. Estimated Award Amount**

Award amounts will vary as determined by the scope of the projects.

## **B.3. Period of Performance**

AmeriCorps anticipates making one-year grant awards.

### B.4. Type of Award

Award recipients will be assigned to an AmeriCorps Portfolio Manager, who will be responsible for assessing recipient performance, providing training and technical assistance, and serving as the agency's primary point of contact.

AmeriCorps State and National grants will be awarded if an application is successful.

Grant Types	Cost Reimbursement
Available Subtypes	Planning Grants
Budget Submission Required	Yes
Financial Reporting Requirements	Yes
Available to new Applicants	Yes

## **C. ELIGIBILITY INFORMATION**

### **C.1. Eligible Applicants**

The following non-Federal entities (all of which are defined in <u>2 CFR 200.1</u>) are eligible to apply:

• Indian Tribes

Applicants must have a valid SAM registration and Unique Entity Identifier to receive an award. See <u>Section D.3. Unique Entity Identifier and System for Award Management (SAM)</u> for more information.

### **New Applicants**

AmeriCorps encourages organizations that have not received prior funding from AmeriCorps to apply.

### **Types of Applicants**

1. *Federally recognized Indian Tribes*: Applicants that are Indian Tribes apply directly to AmeriCorps.

In addition to Indian Tribes as defined in <u>2 CFR 200.1</u>, tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes are also eligible to apply. If an entity applies for an award as a tribal organization that is controlled or chartered by one or

more Indian Tribes, the organization must provide copies or links to documentation which demonstrates that the organization is controlled or chartered by a federally recognized Indian Tribe. If an entity applies as an organization authorized by a federally recognized tribe, or multiple specific federally recognized tribes, it must submit a resolution or other authorization, adopted by the Tribal Council (or comparable tribal governing body) of <u>each</u> Indian Tribe. The authorization(s) must identify the entity applying for an AmeriCorps award by name as a tribal organization that is authorized by the Indian Tribe(s) for the purpose of applying for AmeriCorps funding (or federal grant funds generally).

## C.2. Cost Sharing or Matching

### **Cost Reimbursement Grants**

Applicants may request American Rescue Plan match replacement funds to cover grantee share costs, not to exceed 24 percent of the total budget. Should this request be made, there will be NO match that would need to be raised. Because the American Rescue Plan funds expire on September 30, 2024, grants awarded after that date will be required to raise non-AmeriCorps funds to support the program and meet match requirements.

### **C.3. Other Eligibility Requirements**

Under Section 132A(b) of <u>the National and Community Service Act of 1990, as amended</u>, organizations that have violated a Federal criminal statute may not receive assistance described in this Notice.

Applications that propose to engage in activities that are prohibited under AmeriCorps' statutes, regulations, or the terms and conditions of its awards are not eligible to receive AmeriCorps funding.

Note that under appropriations provisions annually enacted by Congress, if AmeriCorps is aware that any corporation has any unpaid federal tax liability

- that has been assessed;
- for which all judicial and administrative remedies have been exhausted or have lapsed; and
- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability;

that corporation is not eligible for an award under this Notice. However, this exclusion will not apply to a corporation that a federal agency has considered for suspension or debarment and determined that suspension or debarment is not necessary to protect the interests of the federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the <u>Internal</u> <u>Revenue Code of 1986, 26 U.S.C. §501 (c)(4)</u> that engages in lobbying activities is not eligible to apply for AmeriCorps funding.

## **D. APPLICATION AND SUBMISSION INFORMATION**

This Notice should be read together with the AmeriCorps regulations, <u>45 CFR 2520 - 2550</u>, Guidance, Application Instructions, Performance Measures, and Mandatory Supplemental Information. These documents are available online at <u>AmeriCorps.gov Funding</u> <u>Opportunities webpage</u>.

### D.1. Address to Request an Application Package

All information associated with this funding opportunity is available through the AmeriCorps Funding Opportunities webpages. Applicants should refer to <u>AmeriCorps Funding</u> <u>Opportunities</u> for more information and instructions on how to fully respond to this Notice. Applicants can also send an email to americorpsgrants@cns.gov or call (202) 606-7508 for a printed copy of the Notice and Guidance and Application Instructions. AmeriCorps also offers <u>live text chat</u>.

### D.2. Content and Form of Application Submission

### **D.2.a. Application Content**

Complete applications must include the following elements:

- Standard Form 424 (SF-424) Face Sheet: This is automatically generated when applicants complete the data elements in the eGrants system.
- Narrative Sections:
  - Executive Summary: This is a brief description of the proposed program.
  - o Program Design
  - Organizational Capability
  - o Cost-Effectiveness & Budget Adequacy
  - Evaluation Summary/Plan
- Performance Measures
- Standard Form 424A Budget
- Continuation Changes
- Clarification
- Authorization, <u>Assurances</u>, and <u>Certifications</u>

### D.2.b. Page Limits

There are page limits for the Narratives and Logic Model:

- Narratives
  - Applications must not exceed 5 double-spaced pages for the Narratives as the pages print out from eGrants.
  - The application sections that count towards the page limit are the:
    - SF-424 Face Sheet
    - Executive Summary
    - Program Design, Organizational Capability, and Cost-Effectiveness & Budget Adequacy narratives.
  - The application page limit does not include Evaluation Summary/Plan, Clarification Summary, Continuation Changes, Budget, Performance Measures, or any required additional documents.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. The character limits in eGrants do not align with page limits set in the Notice. **AmeriCorps strongly encourages applicants to print out the application from the "Review and Submit" tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.** 

AmeriCorps will not consider the results of any alternative printing methods when determining if an application complies with the page limit. Reviewers will also not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

### D.3. Unique Entity Identifier and System for Award Management (SAM)

All applicants **must** register with the System for Award Management (SAM) at <u>https://www.sam.gov/SAM/</u> and maintain an active SAM registration until the application process is complete. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. See the <u>SAM Quick Guide for Grantees</u>.

SAM registration must be renewed annually. AmeriCorps suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. <u>Applicants must use their SAM-registered legal name and physical address on all grant applications to AmeriCorps.</u> <u>The legal applicant's name and physical address in eGrants must match exactly the applicant's SAM-registered information.</u>

AmeriCorps will not make awards to entities that do not have a valid SAM registration and Unique Entity Identify. If an applicant has not fully complied with these requirements by the time AmeriCorps is ready to make a federal award, AmeriCorps may determine that the applicant is not qualified to receive an award and use that determination as a basis for making a federal award to another applicant.

Applications must include an Employer Identification Number.

Applications must include a valid Unique Entity Identifier (UEI), which is generated as part of the SAM registration process.

### **D.4. Submission Dates and Times**

### D.4.a. Application Submission Deadline

Applications are due not later than Wednesday, April 5, 2023 by 5:00 p.m. Eastern Time.

AmeriCorps will not consider applications submitted after the deadline, except as noted in <u>Section D.4.c. Late Applications</u>. AmeriCorps reserves the right to extend the submission deadline. AmeriCorps will post a notification in the event of an extended deadline on AmeriCorps' funding opportunities webpage.

## D.4.b. Additional Documents Deadline

Additional documents are due by the application submission deadline.

See Sections <u>D.4.a. Application Submission Deadline</u> and <u>D.7.b. Submission of Additional</u> <u>Documents</u> for more information.

### **D.4.c. Late Applications**

All applications received after the submission deadline published in this Notice, of **Wednesday, April 5, 2023 at 5:00 pm Eastern Time,** are presumed to be non-compliant. To overcome this presumption, the applicant must:

- submit a written explanation or justification of the extenuating circumstance(s) that caused the delay, including:
  - the timing and specific cause(s) of the delay
  - the ticket number if a request for assistance was submitted to the AmeriCorps Hotline
  - o any information provided to the applicant by the AmeriCorps Hotline
  - o any other documentation or evidence that supports the justification
- ensure that AmeriCorps receives the written explanation or justification and any other evidence that substantiates the claimed extenuating circumstance(s), via email to <u>LateApplications@cns.gov</u> no later than 24 hours after the application deadline as stated in the Notice

Communication with AmeriCorps staff, including an applicant's portfolio manager, is not a substitute for a written explanation or justification of the extenuating circumstance that caused the delay as outlined above. Applicants are required to continue working in <u>eGrants</u>, <u>AmeriCorps' web-based application system</u>, and with the AmeriCorps Hotline to submit the application. AmeriCorps will determine whether or not to accept a late application on a case-by-case basis.

Applicants that do not meet the application submission deadline and do not submit a written explanation or justification or any other evidence to overcome the presumption of noncompliance within the published timeframe will be deemed noncompliant. If AmeriCorps sustains a noncompliant determination, the application will not be reviewed or selected for award.

AmeriCorps will *not* consider an advance request to submit a late application. Please carefully review and follow the guidance in this section and submit your application as soon as possible.

### **D.5. Intergovernmental Review**

This Notice is not subject to <u>Executive Order 12372</u>, "Intergovernmental Review of Federal Programs."

## **D.6. Funding Restrictions**

## D.6.a. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants may either use a Federally approved indirect cost rate or a 10 percent *de minimis* rate of modified total direct costs, or may claim certain costs directly, as outlined in <u>2 CFR 200.413</u>. States, local governments, and Indian Tribes may use previously-approved indirect cost allocation plans. All methods must be applied consistently across all federal awards. Applicants that

have a federal negotiated indirect cost rate or that will be using the 10 percent *de minimis* rate must enter that information in the Organization section in eGrants. However, under section 121(d) of the NCSA and AmeriCorps' regulations at <u>45 CFR 2521.95</u> and <u>2540.110</u>, no more than five percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants.

The instructions for how to enter the organization's indirect cost rate are located here: <u>eGrants Indirect Cost Rate User Instructions</u>. Applicants should not submit documentation addressing the indirect cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to <u>IndirectCostRate@cns.gov</u>. The applicant may also obtain instructions and additional information by contacting the email address above.

### D.6.c. Pre-Award Costs

Pre-award costs, where authorized, are allowed after receiving written approval from AmeriCorps.

### **D.7. Other Submission Requirements**

### **D.7.a. Electronic Application Submission in eGrants**

Applicants must submit applications electronically via <u>eGrants, AmeriCorps' web-based</u> <u>application system</u>. AmeriCorps recommends that applicants create an eGrants account and begin the application at least three weeks before the deadline. Applicants should draft the application as a Word document, then copy and paste the text into the appropriate eGrants field no later than 10 days before the deadline.

The applicant's authorized representative must be the person who submits the application. The authorized representative must use their own eGrants account to sign and submit the application. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Applicants should contact the AmeriCorps Hotline at (800) 942-2677 or via <u>eGrants</u> <u>Questions</u> if they have a problem when they create an account, prepare, or submit the application. <u>AmeriCorps Hotline hours</u> are posted.

Be prepared to provide the application ID, organization's name, and the name of the Notice to which the organization is applying. If the issue cannot be resolved by the deadline, applicants must continue working with the AmeriCorps Hotline to submit via eGrants.

If circumstances make it impossible for an applicant to submit in eGrants, applicants may send a paper copy of the application via overnight carrier below. Applicants must include a written explanation and any other documentation or evidence that support their inability to submit their application electronically.

AmeriCorps ATTN: Office of Grant Administration (OGA)/AmeriCorps State and National Tribes Planning Grant Application 250 E Street, SW, Suite 300 Washington, DC 20525

Please use a non-U.S. Postal Service carrier to avoid security-related delays. All deadlines and requirements in this Notice also apply to paper applications. AmeriCorps does not accept applications submitted via fax or email.

### **D.7.b. Submission of Additional Documents**

All documents must be submitted by the applicant.

All applicants

1. All applicants regardless of funding level are required to submit an <u>Operational and</u> <u>Financial Management Survey (OFMS)</u>. Please submit the OFMS as a Word document. Forms submitted as a PDF or any other document format may not be accepted.

Entities applying on behalf of a Federally Recognized Tribe (New and recompeting) Tribal organization eligibility documentation (See Section *C.1 Eligible Applicants*)

Additional documents must be emailed to <u>AdditionalDocuments@cns.gov</u> with the following subject line: *"Legal Applicant Name" - "Application ID Number."* Emails should include:

- the legal applicant name and its point of contact information
- the application ID number
- a list of documents that are attached to the email by filename, labeling each document type according to the above numbered list
- individually attached files that are clearly labeled, and that include the legal applicant name and application ID number within the file name and heading of each document. To ensure that all required additional documents are considered, please provide each document as a separate single file, labeled appropriately. Please do not send multiple documents in one combined file, and do not send a single document in multiple files.
- If the size of an applicant's files requires multiple emails, please also include an ordering system in the subject line, such as "(1 of 3)"

Failure to submit the required additional documents, following the email instructions in this section, by the deadline may have a negative effect on the assessment of your application.

### Do not submit any items that are not requested in this Notice or Application Instructions. AmeriCorps will not review or return them.

The review and selection process is intended to produce a diversified set of high-quality programs that represent the priorities and strategic considerations described in this Notice. The determinations made by AmeriCorps reviewers may be different from what the applicant self-determined upon submission of its application. The stages of the review and selection process follow:

### E.2.a. Initial Application Compliance and Eligibility Review

AmeriCorps will conduct an initial Compliance and Eligibility Review to determine if an application meets the eligibility requirements published in this Notice and advances to the next stage of the review process.

An application is compliant if the applicant:

- is an eligible organization
- submitted an application by the submission deadline

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, determinations of eligibility can take place at any point during the application review and selection process. Applicants that are determined to be ineligible will not receive an award.

### E.2.b. Application Review

### **External Review**

External Reviewers will assess applications based on the Program Design, Organizational Capability, and Cost-Effectiveness and Budget Adequacy. AmeriCorps will recruit and select reviewers on the basis of demonstrated expertise in AmeriCorps State and National Native Nation programming and/or the Focus Areas, as well as experience assessing applications. All External Reviewers will be screened for conflicts of interest.

### **Post-Review Quality Control**

After the initial review process is complete, AmeriCorps staff will review the initial results for fairness and consistency. Some applications may be selected for a Post-Review Quality Control assessment. This additional level of review will be used to ensure fairness and provide assurances that an application was not disadvantaged in the original review.

## E.2.c. Applicant Clarification

AmeriCorps may ask an applicant for clarifying information after notification of competition results. An applicant's failure to respond to a request for clarification adequately and in a timely manner may result in the removal of its application from the award process.

### E.2.d. Pre-Award Risk Assessment

AmeriCorps staff will assess the risks to the program posed by each applicant to determine an applicant's ability to manage Federal Funds. This evaluation is in addition to those about the applicant's eligibility and the quality of its application on the basis of the <u>Selection Criteria</u> (E.1). Results from this assessment will inform funding decisions. If AmeriCorps determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk may be applied to the award. Additionally, if AmeriCorps concludes that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

In assessing risks, AmeriCorps may consider the following criteria:

- 1. Due Diligence, including:
  - Federal debt delinquency
  - suspension and debarment
  - information available through Office of Management and Budget (OMB)- designated repositories of government-wide eligibility qualification or financial integrity information, such as:

- 4. Other Programmatic Risks, including:
  - publicly available information, including from the applicant organization's website

## E.2.e. Consideration of Integrity and Performance System Information

Prior to making any award that exceeds the \$250,000, AmeriCorps is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (See <u>41 U.S.C. §2313</u>). Additionally, AmeriCorps may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under \$250,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

AmeriCorps may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the <u>E.2.d. Risk Assessment</u> <u>Evaluation section</u> of this Notice.

## E.2.f. Selection for Funding

The review and selection process are designed to:

- identify how well eligible applications are aligned with the <u>application selection</u> <u>criteria (E.1)</u>
- build a diversified portfolio based on the following strategic considerations:
  - AmeriCorps Funding Priorities (See <u>Section A.2. Funding Priorities</u>)
  - o meaningful representation of
    - rural communities
    - innovative community strategies
  - CEO discretion to advance strategic goals

AmeriCorps will assess an applicant's strategic considerations. Applicants must check the relevant boxes in the Program Information tab in AmeriCorps' web-based management system Applicants should only check the boxes if the strategic consideration is a significant and intentional part of their program design and if implementation strategies are described in the application.

In selecting applicants to receive awards under this Notice, the Chief Executive Officer will endeavor to include a diverse portfolio of applications based on staff recommendations, alignment with selection criteria, and strategic considerations.

AmeriCorps reserves the right to prioritize funding existing awards over making new awards.

AmeriCorps reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.

AmeriCorps reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the <u>selection criteria (E.1.)</u>that will be used to assess applications.

### E.3. Feedback to Applicants

Each compliant applicant will receive feedback from the External Review of its application.

### E.4. Transparency in Grant-making

AmeriCorps is committed to transparency in grant-making. A list of all approved applications for new and re-competing applications will be published on <u>AmeriCorps Funded Grants</u> within 90 business days after all grants are awarded.

Submitted program narratives, executive summaries, a blank template of the external review worksheet, a list of all external reviewers who completed the review process, and a summary of external reviewer comments for successful applications will be available upon request via email to <u>AmeriCorpsOGA@cns.gov</u>.

## F. FEDERAL AWARD ADMINISTRATION INFORMATION

### F.1. Federal Award Notices

AmeriCorps will make awards following the selection announcement. AmeriCorps anticipates announcing the results of this funding opportunity by end of August 2023 contingent on the availability of congressional appropriations. All applicants, successful or not, will be notified of funding decisions via email.

Notification of an award is not an authorization to begin activities. The Notice of Grant Award signed by the Office of Grant Administration is the authorizing document. An awardee may not expend Federal Funds until the start of the Period of Performance identified on the Notice of Grant Award.

### F.2. Administrative and National Policy Requirements

### F.2.a. Uniform Guidance

All awards made under this Notice will be subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), in <u>2 CFR Parts 200</u> and <u>2205.</u>

### F.2.b. Requests for Monitoring or Payment Integrity Information

AmeriCorps will request documentation from award recipients in order to monitor the grantee and award to ensure compliance with legal requirements, including the <u>Payment</u> <u>Integrity Information Act of 2019</u>. Failure to make timely responses to these requests may result in award funds being placed on manual hold, reimbursement only status, or other remedies may be applied as appropriate.

### F.2.c. AmeriCorps Terms and Conditions

All awards made under this Notice will be subject to the FY 2023 AmeriCorps General Terms and Conditions, and the FY 2023 Program-Specific Terms and Conditions for the particular program (when applicable). These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the AmeriCorps General and Program-Specific Terms and Conditions for each of its programs is available on the <u>Manage Your Grant</u> webpage.

### F.2.d. National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. We encourage grantees to minimize barriers to service without putting their program beneficiaries at genuine risk.

- In general, award recipients and subrecipients must conduct an NSCHC for staff funded under, or whose salary is reflected as match on, the award.
- AmeriCorps strongly encourages applicants to review the regulations and additional guidance to fully understand how to comply with the requirements. See the <u>NSCHC</u> regulations and guidance AmeriCorps also strongly encourages award recipients to utilize the two AmeriCorps-approved vendors to conduct the required NSCHCs.
- Failure to conduct a compliant NSCHC may result in significant disallowed costs.
- The cost of conducting NSCHC is an allowable expense under the award and the individual subject to the NSCHC may not be required to cover the cost without being reimbursed.

An NSCHC consists of a check of the:

- 1. National Sex Offender Public website through <u>NSOPW.gov</u> (nationwide check);
- 2. State criminal history record repository or agency-designated alternative for the individual's State of residence *and* State of service; and
- 3. Fingerprint-based check of the FBI criminal history record database through the State criminal history record repository or agency-approved vendor.

All checks must be conducted, reviewed, and an eligibility determination made before the individual begins work or service.

An individual is <u>not eligible</u> to serve or work in a position subject to the NSCHC requirements if:

- the individual refuses to consent to a criminal history check;
- makes a false statement in connection with a criminal history check;

- is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry; or
- has been convicted of murder.

See <u>45 CFR 2540.200- 2540.207</u> and <u>National Service Criminal History Check Resources</u> for complete information and FAQs.

### F.2.e. Official Guidance

All AmeriCorps active Guidance is available on the <u>agency's Guidance webpage</u>. The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

### F.3. Use of Material

To ensure that materials generated with AmeriCorps funding are available to the public and readily accessible to recipients and non-recipients, AmeriCorps reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (<u>2 CFR §200.315</u>).

### F.4. Reporting

Recipients are required to submit a variety of reports that are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Cost reimbursement grantees are required to provide final progress report and financial reports through eGrants, AmeriCorps' web-based grants management system. Final financial and progress reports are due 120 days after the end of the agreement.

All grantees must submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

In addition, at the end of the award period, a grantee must submit final financial and progress reports that are cumulative over the entire award period and consistent with the close-out requirements. The final reports are due 120 days after the end of the period of performance.

Award recipients will be required to report at <u>Federal Funding Accountability and</u> <u>Transparency Act Subaward Reporting System (FSRS)</u> on all subawards over \$30,000, and may be required to report on executive compensation for the recipient organization and its subrecipients. Recipients and subrecipients must have the necessary systems in place to collect and report this information. See <u>2 CFR Part 170</u> for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have in place data collection and data management policies, processes, and practices that provide assurance that they are reporting high quality performance measure data. At a minimum, recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- data measures what it intends to measure
- data reported is complete
- grantee collects data in a consistent manner
- grantee takes steps to correct data errors
- grantee actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the recipient's ability to secure future AmeriCorps funding.
