Hone your leadership skills this summer

Introducing the Summer of Service Team Leader position, a short-term, environmental focus experience with AmeriCorps NCCC

AmeriCorps

Make your summer count and kickstart your career in environmental impact.

Deploy to Aurora, Colorado, for training and serve full-time for about 3 months.

As a Team Leader (ages 18+, no upper age limit), gain valuable supervisory experience.

Lead a team of 8-12 AmeriCorps members (ages 18-26) through a hands-on project focused on environmental stewardship and/or climate change mitigation.

Have your basic expenses covered, including travel, during service. Receive a post-service financial benefit.
