

Restrictions on Ballot and Partisan Political Activity

November 2021

COMPILATION OF RESTRICTIONS ON BALLOT AND PARTISAN POLITICAL ACTIVITY BY AMERICORPS GRANTEES AND VISTA MEMBERS

If an organization (“recipient” or “sub-recipient”) receives grant funds or other assistance from AmeriCorps, certain federal restrictions on partisan political activity will apply to that organization, as well as to individuals receiving funds or benefits under such a grant or agreement.

As a general matter, those partisan political activity restrictions forbid recipients and subrecipients from:

- using their official authority or influence to interfere with or affect the results of an election, or
- directly or indirectly coercing contributions from subordinates in support of a political candidate, party or organization.

In addition, recipients are generally prohibited from spending AmeriCorps grant funds or resources to:

- influence the outcome of any election to Federal, State, or local public office or
- engage in voter registration activities, or for transporting people to polling places.

To help recipients and subrecipients understand and comply with the foregoing restrictions, AmeriCorps has compiled the following list of statutory and regulatory references which summarize the limitations and restrictions on partisan political activity that those recipients and subrecipients must adhere to. The following list is merely a reference tool to support compliance; recipients and sub-recipients may not rely on this as a definitive or complete recitation of all applicable legal principles that might apply in a given situation.

I. The Hatch Act (for Employees of State and Local Governments that receive AmeriCorps grants or other assistance)

The Hatch Act, a federal law originally passed in 1939, limits certain political activities on the part of state and local government employees who work in connection with federally funded programs. See, 5 U.S.C. §§ 1501 et. seq. The Act’s restrictions apply to those state and local government employees who, as a normal and foreseeable incident of their principal employment, perform duties in connection with an activity financed in whole or in part by federal funds.¹ Under the Act, these “covered” state and local employees cannot:

¹ The Hatch Act does not apply to individuals who are principally employed by educational or research institutions, establishments, agencies or systems that are supported in whole or in part by a state, local agency, or recognized religious, philanthropic or cultural organization (e.g., teachers, administrators, custodians, etc.).

- use their official authority or influence to interfere with or affect the results of an election or nomination, or
- directly or indirectly coerce, attempt to coerce, command, or advise a state, or local officer or employee to pay, lend, or contribute anything of value to a partisan political party, committee, organization, agency, or person for political purposes.

These prohibitions continue to apply while the employees are on annual leave, sick leave, administrative leave, furlough, or any other paid or unpaid leave. In addition, a covered state or local employee whose salary is paid for entirely by federal funds are prohibited from running for elective office.

II. Federal Awardees - Code of Federal Regulations

As a general matter, provisions in the Code of Federal Regulations (CFR), *Uniform Administrative Requirements, Cost Principles, And Audit Requirements for Federal Awards* (2 CFR Part 200), impose restrictions on political activity by nonprofit organizations and Institutes of Higher Education. Those restrictions include prohibitions on:

- Attempting to influence the outcome of any Federal, state, or local election, referendum, initiative, or similar procedure, through in-kind or cash contributions, endorsements, publicity, or similar activity;²
- Establishing, administering, contributing to, or paying the expenses of a political party, campaign, political action committee, or other organization whose purpose is to influence the outcome of elections in the United States;³

III. AmeriCorps -Specific Requirements

A. AmeriCorps State and National Program

With regard to AmeriCorps specifically, section 174(b) of the National and Community Service Act (NCSA) (42 U.S.C. § 12634(b)) provides that AmeriCorps grants awarded under the NCSA shall not be used by program participants and program staff to finance, directly or indirectly, any activity designed to influence the outcome of an election to Federal office or the outcome of an election to a State or local public office.

In addition, section 132A of the NCSA (42 U.S.C. § 12584a), in conjunction with AmeriCorps regulations at 45 CFR 2520.65, provide that AmeriCorps Members and AmeriCorps program staff serving under AmeriCorps State and National grants⁴ may not be utilized for the purpose of—

- engaging in partisan political activities, or other activities designed to influence the outcome of an election to Federal office or the outcome of an election to a State or local public office, or

² 2 C.F.R. § 200.450(c)(1)(i).

³ 2 C.F.R. § 200.450(c)(1)(ii).

⁴ These restrictions apply to AmeriCorps members and program staff while charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by AmeriCorps.

- participating in, or endorsing, events or activities that are likely to include advocacy for or against political parties, political platforms, political candidates, proposed legislation, or elected officials.

B. AmeriCorps VISTA Program and AmeriCorps Seniors Programs

Congress also placed restrictions on partisan political activity of recipients of federal assistance under the Domestic Volunteer Service Act of 1973 (DVSA) (42 U.S.C. § 5043). Those provisions restrict any organizations receiving DVSA assistance from AmeriCorps (i.e., VISTA sponsors, sub-recipient organizations, and AmeriCorps Seniors grantees) from using that assistance (including funded services or personnel) such that it results in identifying the organization with—

- any partisan or nonpartisan political activity associated with a candidate, or a contending faction or group, in an election for public or party office;
- any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election;
- any voter registration activity⁵, or
- any activity whose purpose is to influence the passage or defeat of ... proposals by initiative petition.

Also, AmeriCorps has by regulations, (45 CFR §1226.8; 45 CFR §§ 2556.700-2556.780) prohibited AmeriCorps Seniors Volunteers and AmeriCorps VISTA members from engaging in electoral and lobbying activity, including:

- any activity in support of, or in opposition to a candidate for election to public office in a partisan or nonpartisan election;
- participating in the circulation of petitions, or the gathering of signatures on nominating petitions or similar documents for candidates for public office;
- raising, soliciting, or collecting funds for a candidate for public office;
- preparing, distributing or providing funds for campaign material for candidates, including leaflets, pamphlets, brochures and material designed for the print or electronic media;
- organizing political meetings or forums;
- canvassing voters on behalf of a candidate for public office;
- raising, soliciting or collecting funds for groups that engage in any of these activities;
- circulating petitions, gathering signatures on petitions, or urging or organizing others to do so, for the purpose of placing certain measures on the ballot at a general or special election; or

⁵ VISTA sponsors can make voter registration applications and nonpartisan voter registration information available to the public on the sponsors' premises. But VISTA sponsor staff members may not indicate a preference with respect to any candidate, political party, or election issue; or seek to influence the political or party affiliation, or voting decision, of any individual. 42 U.S.C. 5043(b)(1)(C) and (b)(2). However, by regulation Senior Corps grantees may not engage any voter registration activity, including the dissemination of official voter registration materials. 45 CFR 1226.8(b).

- any activities related to the passage or defeat of any measure on the ballot in a general or special election.

AmeriCorps Seniors Volunteers and AmeriCorps VISTA members are also prohibited from engaging in any voter registration activity, including:

- providing transportation of individuals to voter registration sites, or collect, raise, or solicit funds to support transportation activities;
- providing assistance to individuals in the process of registering to vote, including determinations of eligibility;
- disseminating official voter registration materials; or
- raising, soliciting or collecting funds to support those activities.

C. AmeriCorps VISTA Program

In addition to the foregoing prohibitions in the DVSA, AmeriCorps VISTA members are to be treated as federal employees under the Hatch Act (regardless of whether they are full- or part-time). 42 USC 5055(b). AmeriCorps has issued regulations covering the restrictions and prohibitions on political activities for VISTA members. Under those regulations, VISTA members may not engage in the following activities **at any time**:
