# Corporation for NATIONAL & COMMUNITY SERVICE

Missouri   2004 - 2005

Meeting community needs in Missouri. More than **37,000** people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through **106** national service projects across Missouri. Serving with national and local nonprofits, schools, faith-based organizations and other groups, these citizens tutor and mentor children, coordinate after-school programs, build homes, conduct neighborhood patrols, restore the environment, respond to disasters, build nonprofit capacity and recruit and manage volunteers. This year, the Corporation for National and Community Service will commit more than **$13,200,000** to support Missouri communities through three national service initiatives:

Senior Corps: More than **12,000** seniors in Missouri contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than **10,000** young people who have special needs. Senior Companions help more than **870** homebound seniors and other adults maintain independence in their own homes. Retired and Senior Volunteer Program (RSVP) volunteers conduct safety patrols for local police departments, participate in environmental projects, tutor and mentor youth, respond to natural disasters, and provide other services through more than **1,100** groups across Missouri.

AmeriCorps: This year AmeriCorps will provide more than **730** individuals the opportunity to provide intensive, results-driven service to meet education, environmental, public safety and other pressing needs in communities across Missouri. Roughly three-quarters of all AmeriCorps grant funding goes to the Governor-appointed Missouri Community Service Commission, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by the Corporation directly to multi-state and national organizations through a competitive grants process. Other individuals will serve through AmeriCorps*VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses and increase housing opportunities, and AmeriCorps*NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award of up to $4,725 that can be used to pay for college or to pay back qualified student loans. Since 1994, more than **4,100** Missouri residents have qualified for Americorps Education Awards totaling more than **$14,000,000**.

Learn and Serve America: Learn and Serve America provides grants to schools, colleges, and nonprofit groups to support efforts to engage more than **24,000** Missouri students in community service linked to academic achievement and the development of civic skills. This type of learning, called service learning, improves communities while preparing young people for a lifetime of responsible citizenship. In addition to providing grants, Learn and Serve America serves as a resource on service and service-learning to teachers, faculty members, schools, and community groups.

Together with the USA Freedom Corps, the Corporation for National and Community Service is working to build a culture of citizenship, service, and responsibility in America.
