

National Service in Georgia

MEETING COMMUNITY NEEDS IN GEORGIA

More than 4,200 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Georgia. Serving at more than 640 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$17,150,000 to support Georgia communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$4,110,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 1,200 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Georgia. Most AmeriCorps grant funding goes to the Georgia Commission for Service and Volunteerism, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 16,000 Georgia residents have served more than 22 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$46,580,000.

Senior Corps: More than 2,900 seniors in Georgia contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 2,100 young people who have special needs. Senior Companions help more than 930 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 140 groups across Georgia.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Georgia, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$170,000 in expanding the impact of 2 nonprofits in Georgia.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

1 This figure represents the number of awarded positions available to be filled in the 2013 - 2014 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.

2 This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Georgia. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.

3 AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.

4 Georgia is served by the AmeriCorps NCCC campus located in Vicksburg, Mississippi. In the past year, AmeriCorps NCCC teams have served on projects in Atlanta, Stone Mountain, Douglasville, Gainesville, Hiawassee, Brunswick, Nicholls, Folkston.

5 The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.

6 As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 16,000 Georgia residents have served more than 22 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$46,580,000.

National Service Impact in Georgia

AmeriCorps

Selected as the 2012 "Volunteer Team of the Year" by the Boys and Girls Club of Metro Atlanta, Youth Villages AmeriCorps provides academic support to at-risk students at the Youth Villages Inner Harbour Campus while also providing community strengthening activities to support nonprofits and community organizations. In 2012, AmeriCorps members provided more than 2,000 hours of one-on-one tutoring sessions in literacy and math to 130 students, leading to an increase by one grade level by 80 percent of youth meeting criteria. Members also provided 2,000 hours of individualized life skills sessions to 101 older youth, of which 85 percent of students meeting criteria increased competency by 35 percent in multiple life skills domains. Youth Villages AmeriCorps members completed 6,000 hours of service with 40 local nonprofits and organizations and leveraged more than 1,500 volunteers, including youth in care, corporate/civic groups, and individuals from the community.

AmeriCorps NCCC

AmeriCorps NCCC team Delta 5 demolished four cabins at a campsite that was deemed unsafe for the residents of Youth Villages. The team also painted the amphitheater, re-painted the stairs at the track, and built an exercise playground that will be used by the older youth residents. Demolishing the old cabins provided the residents with safe areas for therapy and education. The team gained a greater understanding of special education, how to act sensitively around those with special needs, and how to assist them.

AmeriCorps VISTA

The Georgia Lions Lighthouse Foundation in Atlanta sponsors four AmeriCorps VISTA members. Through the efforts of their VISTA members, the Lighthouse annual fundraiser has seen an increase in donations each year. This year, the fundraiser generated more than \$209,000 thanks to the volunteer recruitment, marketing, and social media promotion provided by the VISTA members. The Foundation has also been able to expand their service clinics to new counties in Georgia because of the support they received from VISTA. The Lighthouse was asked by the city of Chamblee to oversee the annual "Taste of Chamblee" because the city of Chamblee was impressed by the successful the Lighthouse fundraiser. The Lighthouse implemented a new fundraiser last year, a fun run that raised \$12,000. which a VISTA member organized in about six weeks.

Senior Corps

The Foster Grandparent Program has a presence at Moody Air Force Base Child Development Center. Senior Volunteer Connection (FGP sponsor in Valdosta) currently has eight Foster Grandparents serving 55 preschool children providing care in the area of developing motor skills, language skills, and social skills. In 2012, these volunteers served 9,434 hours. In the past three years, one volunteer has been awarded the Angel Award for outstanding service during the annual Volunteer recognition ceremony in April of each year.

Social Innovation Fund

Atlanta CareerRise collaborative serves the 26-county Greater Atlanta region and was awarded an initial grant of \$300,000 over two years by Social Innovation Fund (SIF) intermediary Jobs for the Future, which they will match dollar-for-dollar. The SIF investment will allow them to build on their Work Ready efforts which include job profiling, worker assessment and provision of training, and support services to allow low-income individuals to earn a recognized, portable job readiness certificate. In particular, the collaborative focuses efforts on middle-skill jobs in high-growth industries, which require more than high school but less than a four-year degree. Their industry focus will be on the health care, biotechnology, and logistics sectors, which make up the largest share of the region's labor market. Over two years, the collaborative intends to serve 175 job seekers, placing 113 into jobs, and 175 incumbent workers with 160 receiving wage increases.
