#### National Service in New Mexico

#### MEETING COMMUNITY NEEDS IN NEW MEXICO

More than 6,200 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in New Mexico. Serving at more than 680 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$8,010,000 to support New Mexico communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$8,070,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 920 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across New Mexico. Most AmeriCorps grant funding goes to the New Mexico Commission for Community Volunteerism, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 8,700 New Mexico residents have served more than 9.9 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$20,580,000.

Senior Corps: More than 5,200 seniors in New Mexico contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 1,500 young people who have special needs. Senior Companions help more than 1,000 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 410 groups across New Mexico.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

TOTAL LOCAL PROGRAM SUPPORT (Non-CNCS Resources)					\$8,079,644 6
TOTAL CNCS FUNDING + TOTAL LOCAL PROGRAM SUPPORT					\$16,091,853

Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

- 1 This figure represents the number of awarded positions available to be filled in the 2013 2014 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
- 2 This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in New Mexico. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
- 3 AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
- 4 New Mexico is served by the AmeriCorps NCCC campus located in Denver, Colorado.
- In the past year, AmeriCorps NCCC teams have served on projects in Ruidoso, Albuquerque, Farmington, Mentmore.
- 5 The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
- 6 As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 8,700 New Mexico residents have served more than 9.9 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$20,580,000.

#### AmeriCorps

The Rocky Mountain Youth Corps AmeriCorps program in northern New Mexico provides opportunities for 16 to 24 year olds to revitalize communities and preserve and restore the environment while preparing members for productive, responsible lives. Twenty-five percent of northern New Mexican youth ages 16 to 24 are not in school and not working. Rocky Mountain Youth AmeriCorps recruits disenfranchised youth, offering job skills, GED attainment, stackable workforce credentials, education awards, and the opportunity to re-engage with their community through high impact service. Each year more than 100 Rocky Mountain Youth Corps AmeriCorps members complete nearly 50,000 hours of service through valuable projects in forest restoration, trail building, and weatherization. At the end of their service year, AmeriCorps members transition to post-secondary options, employment, or further community service.

#### AmeriCorps NCCC

Local youth members of the Boys and Girls Club of Farmington, New Mexico need additional positive role models. The Boys and Girls Club provides mentoring services to individual youth, small groups, and teaches skills to members. AmeriCorps NCCC teams worked with the Boys and Girls Club of Farmington to provide mentoring and activities to 1,322 elementary students in an out-of-school program, while also spending 285 hours tutoring elementary school students, and assisting more than 1,275 at risk youth.

#### AmeriCorps VISTA

The AmeriCorps VISTA Cadre Project is a network of approximately 25 VISTA members who serve at community organizations across New Mexico. From April 2012 through September 2012, VISTAs recruited more than 1,760 volunteers who performed more than 17,000 hours of service in some of New Mexico's most underserved communities. In addition, VISTAs have played a key role in developing more than \$320,000 in resources for their host sites through seeking out in-kind donations, working to procure grants, and garnering other donations. VISTA members have also excelled in increasing their host sites ability to help community members receive access to health care and locally grown organic produce. During this period, VISTA-led efforts provided more than 20,000 organic vegetable servings for local at-risk school children. In addition, VISTAs helped 290 low- income families gain access to health care services.

#### Senior Corps

During a tough economic climate, nonprofits and public agencies are experiencing the challenge of providing an ever-widening array of services with limited funding. In response, the Las Cruces RSVP, sponsored by the City of Las Cruces Network Volunteer Center, organized the first ever Las Cruces Volunteer Fair to help local nonprofit organizations recruit community volunteers. The fair was planned and organized over a six month period by a steering committee comprised of nonprofit leaders and ten RSVP volunteers. More than 30 organizations participated in the Volunteer Fair which was held at City Hall and recruited a total of 36 volunteers as a result of the event. The impact these volunteers have made in the local community is far-reaching, enabling nonprofit and public agencies to expand and enhance the delivery of quality services to the Las Cruces community.
