

National Service in Pennsylvania

MEETING COMMUNITY NEEDS IN PENNSYLVANIA

More than 18,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Pennsylvania. Serving at more than 2,300 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$36,120,000 to support Pennsylvania communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$15,300,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 3,100 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Pennsylvania. Most AmeriCorps grant funding goes to the PennSERVE: The Governor's Office of Citizen Service, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 41,000 Pennsylvania residents have served more than 55 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$124,850,000.

Senior Corps: More than 15,000 seniors in Pennsylvania contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 7,600 young people who have special needs. Senior Companions help more than 1,800 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 1,200 groups across Pennsylvania.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Pennsylvania, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$540,000 in expanding the impact of 3 nonprofits in Pennsylvania.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

- This figure represents the number of awarded positions available to be filled in the 2013 - 2014 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
- This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Pennsylvania. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
- AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
- Pennsylvania is served by the AmeriCorps NCCC campus located in Perry Point, Maryland. In the past year, AmeriCorps NCCC teams have served on projects in York, King of Prussia, Philadelphia, Brownsville, Pittsburgh, Kittanning, Harrisburg, Meadville, Orefield, Plains, Oxford.
- The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
- As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 41,000 Pennsylvania residents have served more than 55 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$124,850,000.

National Service Impact in Pennsylvania

AmeriCorps

The Keystone SMILES AmeriCorps program (Service Making an Impact through Learning Experiences) is a school and community-based AmeriCorps program that encompasses 14 counties in Northwestern Pennsylvania. The program focuses on rural communities and is the only AmeriCorps presence in the counties it serves. The 170 AmeriCorps members serving as tutors and mentors are vital to the 27 Title One school districts in which they serve. Keystone SMILES AmeriCorps extends services to more than 6,200 students through academic, alternative education, mentoring, and service-learning programs each year. Members also serve 21 nonprofits with after-school and summer programs to provide safe havens, meals, and academic engagement to high-risk children from low-income communities. Eligible members participate in member development activities, and all members are CERT trained and participate in a disaster simulation coordinated by an emergency response team.

AmeriCorps NCCC

Mayor Michael A. Nutter's Office of Civic Engagement and Volunteer Service (MOCEVS) requested an AmeriCorps NCCC team to partner with the PhillyRising Collaborative. PhillyRising targets neighborhoods throughout Philadelphia that are plagued by chronic crime and quality of life concerns, and establishes partnerships with community members to address these issues. NCCC members, partnering with the community, removed 10,360 pounds of trash, started seven community gardens, and cleared 31 vacant lots. The team also worked with students to create three murals.

AmeriCorps VISTA

At Philabundance, the Agricultural Initiatives AmeriCorps VISTA member has been integral in helping the organization develop new source streams for obtaining produce. Over the past few years, Philabundance has seen a drastic decrease in produce acquisition from local ports and other traditional sources. Yasmin Roberti, a VISTA member, has been working with local farmers and volunteer organizations to set up the infrastructure to glean local, seasonal produce from farms in the Delaware Valley. During the summer 2012 growing season, Yasmin led several pilot gleans that yielded a total of 13,342 pounds of food, utilizing the help of more than 50 volunteers. This summer, plans are underway for additional gleaning in four counties, hoping to significantly increase their produce acquisition.

Senior Corps

RSVP of Montgomery County responded to the need of local children for appropriate adult attention and support with skills development by developing Protégé, a relationship-driven mentoring program through which 52 RSVP volunteers provide friendship, guidance, encouragement, goal-setting, and enrichment to students. Mentors and mentees meet at least once per week for a full calendar year and take advantage of tickets to cultural and sporting events. Of the at-risk youth who participated during the last program year, 85 percent reported that they have positive relationships with their mentors, and 100 percent were promoted to the next grade level or graduated.

Social Innovation Fund

Partnering with Social Innovation Fund intermediary Jobs for the Future, the National Fund for Workforce Solutions (NFWS) is expanding its targeted training and technical assistance to at least 23,000 low-income individuals while also addressing the critical skill needs of more than 1,000 employers. In Pennsylvania they are working with two nonprofit subgrantees: Job Opportunity Investment Network (JOIN) – United Way of Southeastern Pennsylvania and Pennsylvania Fund for Workforce Solutions/United Way of Pennsylvania. Each of these received an initial subgrant of \$600,000 over two years from Jobs for the Future, which they will match dollar-for-dollar with nonfederal funds. JOIN aims to leverage its two-year award to serve 2,188 incumbent workers, assisting 917 to obtain wage increases. In addition, it will also help 184 jobs seekers with a goal of placing 134 into jobs. Pennsylvania Fund for Workforce Solutions will serve 2,854 job seekers, placing 1,084 in permanent employment and an additional 1,016 incumbent workers helping 551 obtain wage increases.
