

National Service in California

MEETING COMMUNITY NEEDS IN CALIFORNIA

More than 27,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in California. Serving at more than 3,200 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$108,520,000 to support California communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$49,930,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 7,600 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across California. Most AmeriCorps grant funding goes to the California Volunteers, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 120,000 California residents have served more than 150 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$341,710,000.

Senior Corps: More than 19,000 seniors in California contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 5,200 young people who have special needs. Senior Companions help more than 2,600 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 1,000 groups across California.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in California, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing more than \$3,370,000 in expanding the impact of 27 nonprofits in California, selected and supported by 3 intermediaries.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

- Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.
- This figure represents the number of awarded positions available to be filled in the 2014 - 2015 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
 - This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in California. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
 - AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
 - California is home to the Pacific Region campus of AmeriCorps NCCC, located in Sacramento. Members based at this campus perform service projects throughout California and AK, HI, ID, MT, NV, OR, UT, WA, WY and the Pacific Territories.
 - The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
 - As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 120,000 California residents have served more than 150 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$341,710,000.

AmeriCorps State

AmeriCorps member serving through programs supported by CaliforniaVolunteers reported impacts in several focus areas last year. In education, 3,646 students assessed below the proficiency level in reading and/or math increased academic gains by one functional grade level. AmeriCorps programs serving in education include CalSERVES Project, AppleCorps, Collective Impacts Pilot, Super Stars Literacy, UECC, Monterey County United for Literacy, Reading Partners, and PASS AmeriCorps. More than 641 families received family support services, and in the environmental focus area, 524 acres of public land restored or mitigated to prevent wildfires.

AmeriCorps National

Reading Partners is dedicated to helping children become lifelong readers by empowering community volunteers to provide individualized instruction that produces measurable results. The organization's vision is that all children in California will have the literacy skills they need to reach their full potential. In 2013-14, Reading Partners served 3,623 students with the help of 3,573 volunteers in 65 schools across California. Reading Partners exceeded expectations with 89 percent of target students accelerating their rate of learning. On average, students in the program more than doubled their rates of learning. Further, 70 percent of target students narrowed their literacy gaps with their peers who read at grade level. Reading Partners engages a group of 67 AmeriCorps State/National and VISTA members in service to manage reading centers, provide one-on-one literacy tutoring, recruit volunteers, and build capacity. In 2014-15, AmeriCorps members are on track to serve more than 3,000 students in 67 schools with the help of more than 2,500 volunteer tutors.

One in five Americans have little or no access to primary health care, while forty percent cannot define health insurance terminology, such as “deductible.” These issues are particularly relevant in the state of California, which has greatest number of uninsured residents in the nation. In California, 132 Community HealthCorps AmeriCorps members serve nearly 60 medically underserved communities, focusing on helping individuals access health insurance, primary care providers, and information on navigating the healthcare system. In 2013-2014, more than 50 Community HealthCorps Members in California were trained as certified enrollment counselors, helping nearly 4,600 people enroll in health insurance through the Marketplace. Members integrated other health care services into their enrollment activities, such as education, referrals, and resource assistance. As a result of being served by a Community HealthCorps Member, 61 percent of Californians who were surveyed increased their knowledge about the relationship between health and financial decisions, including the meaning behind many financial terms related to health insurance and the effective use of their insurance benefits.

AmeriCorps VISTA

Building Skills Partnership (BSP), a nonprofit organization in Los Angeles, partners with building owners, janitorial unions, and community leaders to build the skills of low-wage property service workers. BPS offers English courses, vocational skills training, health education, citizenship classes, and other trainings to promote career advancement. In 2009, BSP began an AmeriCorps VISTA project focused on increasing training to low-wage, immigrant workers in Los Angeles. With the help of VISTA members, BSP expanded to San Jose, Santa Ana, and Orange County. Recent funding, made possible with the help of VISTA members, will allow BSP to expand into San Diego, Oakland, and Sacramento, and place a VISTA member at the Google campus in Mountain View. The expansion will allow BSP to train more workers. VISTA members have raised nearly \$1.3 million to support BSP training programs. This year, VISTA members secured a donation of 500 tablets from Google, as well as office and classroom space at the company's Mountain View Campus. With VISTA support, BSP offered training to more than 2,900 immigrant janitors and service workers in 2014, up from 674 trainees in 2009. VISTA members also recruited and trained more than 1,568 volunteers, who donated over 22,030 hours of training to low-wage workers. BSP currently hosts six VISTA members in five cities.

826LA, a nonprofit writing and tutoring center in Los Angeles, collaborates with AmeriCorps VISTA to help under-resourced students across the city make great leaps in learning. With the support of VISTA members and Summer Associates, 826LA offers a range of free programs for students ages 6-18, including after- and in-school tutoring, workshops, summer camps, college access activities, and other services that give young people the one-on-one attention they need to improve their writing and overcome language barriers. Community volunteers are the heart of 826LA, and the individual attention they offer has a transformative impact on student. Thanks in part to the recruitment, training, and retention practices strengthened by VISTA members, the hours contributed by community volunteers at 826LA increased by 40 percent last year. 826LA volunteers worked with high school students to prepare personal statements for college applications. Of these students, 98 percent reported they felt “more prepared to apply to college” after working with a tutor. The 58 students participating in the Young Authors' Book Project contributed to a book that was later published; 84 percent of these newly published authors reported they were “proud of their writing” after the book project. Also, 76 percent of young students reported their grades have improved since receiving tutoring at 826LA. This year 826LA opened a site at a South Los Angeles high school, where VISTA members recruited 75 community volunteers who served 318 students. The five AmeriCorps VISTA members at 826LA also raised \$395,490, and the volunteers they recruited gave 23,250 hours of their time and talent to improve the academic outcomes, behavior, and self-esteem of students.

AmeriCorps NCCC

Easter Seals Central California has owned and operated Camp Harmon since 1963 providing high-quality residential camp programs for children and adults with disabilities. During an AmeriCorps NCCC team's service with Easter Seals Camp Harmon, the team focused on the rehabilitation of the camp facilities that were left in disrepair due to a lack of funding. The team prepared the camp for campers' arrival and cleaned after the campers left. The team successfully cleaned multiple cabins and bathrooms prior to each arrival and departure. The team was also responsible for maintaining the grounds around the camp; including gathering leaves, trimming hedges, and moving 1,100 pounds of construction debris. The team's highest priority at Camp Harmon was digging holes to expose septic pipes from a past botched plumbing job. The team dug nearly 75 cubic feet of holes around the camp to find the source the septic leakage. The team worked on digging two trenches to install new propane tanks on two of the buildings. During their time at Camp Harmon, corps members were able to finish four picnic tables and eight benches as well as finishing cleaning and painting the laundry room.

The Children Youth & Family Collaborative (CYFC) is a nationally recognized, faith-based organization serving over 5,000 foster and at-risk youth in 43 sites in Los Angeles, Compton, Montebello and Pomona Unified School Districts. CYFC utilizes a holistic approach to expand the academic and social development of foster and at-risk youth through academic support, mentoring, and enrichment opportunities. An AmeriCorps NCCC team served with CYFC where the team supported in-school and after-school tutoring, leadership development, and life skills training at 61st Elementary School, Crenshaw High School, and Dorsey High School. The team assisted in serving over 10,000 meals to students and promoting healthy lifestyles. Corps members also tutored over 680 students for a total of 495 hours, working towards improving education for students in the South Los Angeles area. The team initiated new developments for the schools' afterschool programs including fitness and language immersion, as well as creative, academic and social activities. The team assisted heavily with English as a Second Language classes, where they tutored 20 students for over 40 hours in the program.

Senior Corps Foster Grandparent Program

There is abundant research indicating that third grade reading proficiency is correlated with later academic success and also predictive of whether a student will graduate from high school. In San Diego County, 51 percent of the children attending 3rd grade are reading below basic grade level. The Catholic Charities, Diocese of San Diego Foster Grandparent Program addressed this issue by placing 24 Foster Grandparents at eight elementary schools in geographic areas with high poverty rates. The Foster Grandparents were trained and matched with 2-3 children who were identified as reading below grade level. They utilized "Everyone a Reader" research-informed instructional curriculum to help students reach their grade-level in reading. Outcome data provided by the individual sites and teachers revealed that 77 percent of the children showed satisfactory-to-good progress in test scores with a final performance outcome of 71 percent reaching grade level proficiency. In total, this past year the Catholic Charities of San Diego Foster Grandparent Program engaged 98 Foster Grandparents in mentoring and education-related activities benefitting over 330 children and youth.

Senior Corps RSVP

In an effort to address staggering food security issues in South and Southeast Los Angeles, 120 RSVP volunteers sponsored by All Peoples Christian Center manage and implement supplemental food distribution programs at four faith-based food distribution program in South and Southeast Los Angeles. RSVP volunteers manage the full operations at each site, including tracking, weekly sign ups, food collection, food sorting and bagging and distribution. This past year, more than 1,100 low-income individuals and families were provided with USDA food items as well as fresh fruits and vegetables on a weekly basis. Of the participants surveyed, 60 percent reported that these programs improved the quality of the participants' diet and enabled them to pay for basic necessities such as rent and utilities by reducing their grocery bills.

Senior Corps Senior Companion Program

The 18 Senior Companion volunteers with the Golden Umbrella Senior Companion Program in Redding provide visitation and social support each year to 135 homebound, isolated, and frail individuals who have little-to-no support systems in the rural Northern California communities of Shasta, Siskiyou, and Trinity Counties. Volunteers drive clients to Redding from surrounding rural communities for medical appointments because there is no other transportation service available. Round trips can be as long as 150 miles. In collaboration with their station supervisors, volunteers also provide information and assistance by helping their clients connect with many other types of services that support their client's independence including Meals on Wheels, senior housing, and in-home assistance, which are all important to their health and well-being. Based on the bi-monthly follow-up assessments conducted by station supervisors with the frail elders served by Senior Companion volunteers, 85 percent of clients report increased social ties/perceived social support as a result of their Senior Companion volunteer's time, attention, and assistance.

Social Innovation Fund

The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in California, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$1,664,430 in expanding the impact of 27 nonprofits in California, selected and supported by 8 intermediaries.

Volunteer Generation Fund

CaliforniaVolunteers Service Enterprise Initiative (CVSEI) has been developed using Volunteer Generation Fund support as an evidenced-based train-the-trainer model to increase the effectiveness and impact of nonprofit organizations through the strategic engagement of volunteers. As of June 30, 2014, six California-based organizations offer the CaliforniaVolunteers Service Enterprise Initiative to nonprofits in their markets. These include HandsOn Central California, L.A. Works, The Volunteer Center Serving San Francisco and San Mateo Counties, Center for Volunteer and Nonprofit Leadership, OneOC, and Volunteer Center of Santa Cruz County. Over the three years of the grant, volunteer centers have worked with 234 nonprofits to complete the CVSEI. A total of 244 organizations have completed the Service Enterprise Diagnostic assessment tool, with 67 being certified and 167 on the pathway to certification. This represents 87 percent of the original goal of 270 nonprofits completing the CVSEI. Of these 234 nonprofits, 85.8 percent indicated in post-surveys that they are more effectively engaging competency/skills-based volunteers, resulting in improved internal operational and financial systems to enhance organizational sustainability. This measure exceeded targets, both in proportion and in raw number of organizations reporting as more effective.

Intermediary Grantmakers in California

Location	Intermediary Name <i>Nonprofit Subgrantees</i>	Description
Oakland, CA	National Council on Crime and Delinquency (Pay for Success)	NCCD has been engaged over the last year in PFS feasibility studies in child welfare and juvenile justice with two California counties and young people in the adult justice system with the State of California. This project will assist three state or local governments or nonprofit organizations to determine the feasibility of using PFS to promote interventions addressing positive youth development, with a focus on 1) juvenile justice or child welfare system-involved youth or youth at risk of entering or crossing over into these systems, and 2) addressing high rates of racial disparity in these systems. Eligibility to compete for these TA services will be targeted to government entities and nonprofit organizations in the states with the highest rates of racial and ethnic disparities in juvenile justice and child welfare system involvement. The ultimate goal of the proposed project is creating positive outcomes for system-involved children and young people and supporting the capacity of systems to implement evidence-based practices that set up these young people for the best possible chance of success in their lives and in their communities
San Francisco, CA	REDF <ul style="list-style-type: none"> • <i>Community Resource Center in Encinitas, CA</i> • <i>Chrysalis in Los Angeles, CA</i> • <i>Coalition for Responsible Community Development in Los Angeles, CA</i> • <i>Weingart Center Association in Los Angeles, CA</i> • <i>Center for Employment Opportunities in Oakland, CA</i> • <i>Community Housing Partnership in San Francisco, CA</i> • <i>Urban Strategies in San Francisco, CA</i> • <i>Goodwill Silicon Valley in San Jose, CA</i> • <i>Taller San Jose in Santa Ana, CA</i> 	REDF is creating job opportunities for thousands of Californians with multiple barriers to employment through sustainable nonprofit social enterprises in low-income communities throughout California.
Mountain View, CA	Silicon Valley Community Foundation	The Silicon Valley Community Foundation to implement The Big Lift, a collective impact collaborative of more than 100 organizations that will provide funds to preschool and other organizations involved in the academic and social education of preschool students and is designed to increase the number of third graders who read proficiently in 11 high need school districts in San Mateo County, California.

Nonprofit Subgrantees in California

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
Alhambra, CA	Pacific AIDS Education Outreach (USC) AIDS United	Pacific AIDS Education and Training Center (PAETC), Keck School of Medicine of USC proposes to collaborate with the Center for Health Justice (CHJ); the Los Angeles County+ University of Southern California Medical Center Rand Schrader 5P21 Clinic (LAC+USC Rand Schrader Clinic), the largest HIV/AIDS primary care provider in the County; and MOSAIC, Inc. (Mysteries of Spiritual Awareness in Communities, a network of over 100 spiritual groups and communities working to address the needs of disenfranchised peoples in LA County) to develop the Prisoner Assistance Network (PAN). The initiative will provide re-entry services for people living with HIV/AIDS (PLWHA), leaving incarceration and returning to LA County, who are over 18, low or no income, and of any gender. This population has a disproportionate incidence of substance abuse and mental health issues. PAN will be initiated within Los Angeles County Men's Central Jail (MCJ) and within men and women's California State Prisons. Inmates living with HIV will be screened and linked to medical and mental health services and to substance abuse treatment, housing, job placement, and other needed social services outside corrections facilities, as they reintegrate back into their communities. Estimated number of individuals to be served annually by PAN is 60.
Los Angeles, CA	AIDS Project Los Angeles AIDS United	AIDS Project Los Angeles serves as the lead organization in a collaborative project, the Care and Access Network, which targets low-income HIV positive individuals in Los Angeles County to address multiple barriers to care.

Nonprofit Subgrantees in California

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
San Diego, CA	Christie's Place, Inc. AIDS United	Christie's Place leads the Comprehensive & Integrated HIV Services for Women, a collaborative of organizations that will function as a network of care model to improve timely entry, access to and retention in HIV care for women of color living with HIV in San Diego County.
San Francisco, CA	Hello Housing Capital Impact Partners	Hello Housing markets, sells, and stewards Below Market Rate homes in California, and is promoting standard models and best practices to be shared nationally.
Los Angeles, CA	Economic Roundtable Corporation for Supportive Housing	This project will move 107 high-need, high-cost homeless individuals into permanent supportive housing using the triage screening tool developed by the Economic Roundtable.
San Francisco, CA	Tenderloin Neighborhood Development Corporation Corporation for Supportive Housing	The Tenderloin Neighborhood Development Corporation, together with its partners the San Francisco Department of Public Health and the San Francisco Health Plan, are providing services in the Kelly Cullen Community a new supportive housing development.
San Francisco, CA	Genesys Works GreenLight Fund	Genesys Works provides in-depth summer training in hard and soft skills, and year-long internships with major area employers to at-risk, economically disadvantaged students to help them get into and succeed in college and beyond. In contrast to most traditional high school internships that involve "job shadowing" and simple clerical work, Genesys Works' year-long internships are deep touch, hands-on and practical during the students' senior year. In addition to its unique program model, Genesys Works has also developed an innovative financial model with an estimated 75 percent of all program expenses afforded with earned income received from corporations for services students provide by year 3 of operations in a new community. While it has been proven that 86 percent of Genesys Works' students persist beyond the first year of college, GreenLight's SIF Initiative will determine its students' persistence throughout college and other variables that impact student's entry to the economic mainstream, which will provide important evidence to the field of college persistence and career readiness.
San Diego, CA	San Diego Workforce Funders Collaborative/San Diego Workforce Partnership, Inc. Jobs for the Future, Inc./National Fund for Workforce Solutions	The San Diego Workforce Funders Collaborative working with 21 health clinic sites in San Diego County to solve hiring needs, especially through training.
San Francisco, CA	Bay Area Workforce Funding Collaborative/San Francisco Foundation Jobs for the Future, Inc./National Fund for Workforce Solutions	The Bay Area Workforce Funding Collaborative supports two health care workforce partnerships, ensuring that job seekers succeed in the health industry through rigorous training and job placement.
Richmond, CA	Rubicon Programs, Inc. Local Initiatives Support Corporation	Rubicon provides of work readiness, transitional employment, job placement, and financial stability services to very low income West Contra Costa County residents especially in Richmond, CA.
San Diego, CA	HomeStart, Inc. Local Initiatives Support Corporation	In partnership with the Jacobs Family Foundation, Home Start is establishing a Financial Opportunity Center to provide employment services, financial coaching, and public benefits access to isolated, over-burdened families who cannot otherwise access supportive services.
San Diego, CA	International Rescue Committee, Inc. Local Initiatives Support Corporation	International Rescue Committee operates a Financial Opportunity Center focused on serving newly-arrived refugees and other low-income residents of San Diego with employment services, financial coaching, and public benefits access.
San Diego, CA	San Diego Housing Commission Local Initiatives Support Corporation	The San Diego Housing Commission operates a new Financial Opportunity Center in its centrally located Achievement Academy, which serves assisted housing families receiving rental subsidies and provides employment services, financial coaching, and public benefits access.
San Jose, CA	Sacred Heart Community Service Local Initiatives Support Corporation	Sacred Heart Community Service is providing one-on-one employment assessments, counseling and regular follow up, integrating SHCS longtime employment services with its newly established financial literacy and public benefits assistance programs.
Vista, CA	North County Lifeline, Inc. Local Initiatives Support Corporation	Lifeline partners with Community HousingWorks, a local nonprofit partner who specializes in financial literacy and family asset-building services, to package workforce development, one-on-one financial coaching, and benefits screening and enrollment services for individuals and families at the Crown Heights Community Resource Center in Oceanside.

Encinitas, CA	Community Resource Center REDF	Community Resource Center is starting a new thrift store to train, employ, and support domestic violence victims and other individuals with barriers to employment as they transition to financial independence.
Los Angeles, CA	Chrysalis REDF	Chrysalis is developing a new social enterprise and expanding the number of job opportunities available through its existing social enterprises to help more homeless and low-income people find and retain employment.
Los Angeles, CA	Coalition for Responsible Community Development REDF	Coalition for Responsible Community Development is refining and growing their social enterprise, CRCD Enterprises, which employs at-risk young adults in South Los Angeles on work such as graffiti removal, painting, and maintenance.
Los Angeles, CA	Weingart Center Association REDF	Weingart is launching a social enterprise business in the Los Angeles area to help more individuals gain and retain employment.
Oakland, CA	Center for Employment Opportunities REDF	The Center for Employment Opportunities is supporting and building growth capacity for Golden State Works Oakland and expanding their model for transitional jobs and vocational services for formerly incarcerated individuals in other parts of California.
San Francisco, CA	Community Housing Partnership REDF	Community Housing Partnership is expanding CHP Enterprises, a social enterprise that engages employment training program graduates in transitional work in affordable housing management.
San Francisco, CA	Urban Strategies REDF	Urban Strategies is replicating Green Streets, a community owned and operated green business that manages recycling and composting and provides education on waste reduction, in three sites to help more individuals gain and retain employment.
San Jose, CA	Goodwill Silicon Valley REDF	Goodwill of Silicon Valley was established in Santa Clara County in 1926, to move individuals and families from poverty to prosperity (over 20,000 to date). GWSV is part of Goodwill Industries International, a federation of over 200 autonomous Goodwill organizations worldwide. Goodwill's primary activities to date have created a successful social enterprise model, creating opportunities for low-income individuals with a variety of compounding challenges to gain skills and receive the support services necessary to achieve self-sufficiency. REDF and GWSV will work together to further strengthen GWSV's existing social enterprises and support services for its social enterprise employees.
Santa Ana, CA	Taller San Jose REDF	Taller San Jose is significantly growing employment opportunities for at-risk young adults in their innovative construction social enterprise, Hope Builders, Inc.
Oakland, CA	Reading Partners The Edna McConnell Clark Foundation	Reading Partners helps elementary school students who are six to 30 months behind in reading catch up to their peers and become proficient.
Los Angeles, CA	Brotherhood Crusade U.S. Soccer Foundation	Through this Soccer for Success program, an estimated 1,600 youth are provided with physical activity, nutrition education, mentorship, and family engagement opportunities that combat childhood obesity and promote healthy lifestyles.
Los Angeles, CA	El Monte Community Building Initiative (CBI) U.S. Soccer Foundation	Through Soccer for Success in El Monte, over 1,000 youth are provided with physical activity, nutrition education, mentorship, and family engagement opportunities that combat childhood obesity and promote healthy lifestyles.
