AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 20, 2023 and January 19, 2024. Current participants reflects national service participants serving in Washington as of January 19, 2024. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.
