## Meeting Needs in Colorado

Last year more than 6,600 Americans of all ages and backgrounds united to meet local needs, strengthen communities, and expand opportunity through national service in Colorado. AmeriCorps invested more than \$44.5 million in federal funding to support cost-effective community solutions, working hand in hand with local partners to empower individuals to help communities tackle their toughest challenges.

AmeriCorps members and AmeriCorps Seniors volunteers are preparing today's students for tomorrow's jobs, connecting veterans to services, fighting the opioid epidemic, helping older adults age with dignity, rebuilding communities after disasters, and improving literacy and graduation rates for youth from early education to high school.

AmeriCorps members and AmeriCorps Seniors volunteers served at more than 700 locations across Colorado, including schools, food banks, homeless shelters, youth centers, veterans' facilities, and other nonprofit and faith-based organizations. Through a unique public-private partnership, AmeriCorps and its partners generated more than \$10.3 million in outside resources from businesses, foundations, public agencies, and other sources in Colorado last year. This local support strengthened community impact and increased the return on taxpayer dollars.

## What is AmeriCorps?

AmeriCorps is the federal agency for national service and volunteerism. AmeriCorps provides opportunities for Americans of all backgrounds to serve their country, address the nation's most pressing challenges, improve lives and communities, and strengthen community engagement.

## Bringing Out the Best in America

More than 200,000 AmeriCorps members and AmeriCorps Seniors volunteers serve each year, empowering millions more to meet needs in their communities. By bringing people together to serve communities, AmeriCorps is making service to others an indispensable part of the American experience.

## Segal AmeriCorps Education Award

After successful completion of service, AmeriCorps members earn a Segal AmeriCorps Education Award to pay for qualified educational costs. Since 1994, more than 41,000 Colorado residents have served approximately 43 million hours and earned education awards totaling more than \$113.5 million. Higher education institutions and other organizations in Colorado have received more than \$64.8 million in education award payments since 1994.

## Our Programs and Initiatives

**AmeriCorps State and National** awards grants to organizations to engage individuals in sustained service to address local, regional, and national challenges. Thousands of opportunities exist in locations across the country to serve with nonprofits, schools, public agencies, tribes, and community and faith-based groups. Most AmeriCorps grant funding goes to Serve Colorado, the Governor-appointed State Service Commission, which in turn awards grants to organizations to respond to local needs.

**AmeriCorps VISTA** places individuals with nonprofit organizations, public agencies, and tribal governments to expand reach and deepen impact in making sustainable change that alleviates the impact of poverty. Through fundraising, volunteer recruitment, program development, and more, AmeriCorps members gain experience and leadership skills that put them on track for a life of service in the public, private, or nonprofit sector.

**AmeriCorps NCCC** is a full-time service program that covers all costs of program participation, to include lodging and travel expenses, allowing young adults to serve on a team and make an impact in communities across the country while gaining valuable leadership skills. AmeriCorps NCCC FEMA Corps serves communities, in coordination with FEMA, through disaster preparedness, response, and recovery.

**AmeriCorps Seniors Foster Grandparent Program** provides grants to organizations to engage low-income Americans aged 55 and older in providing one-on-one mentoring and academic support to children with special or exceptional needs. In 2023, Foster Grandparents in Colorado served more than 680 young people with special needs.

**AmeriCorps Seniors Senior Companion Program** provides grants to organizations to engage low-income Americans aged 55 and older in providing supportive, individualized services to help homebound seniors and other adults maintain their dignity and independence. In 2023, Seniors Companions in Colorado provided independent living support to more than 260 individuals.

**AmeriCorps Seniors RSVP** provides grants to organizations to engage Americans aged 55 and older in tutoring and mentoring youth, responding to natural disasters, supporting veterans and their families, and meeting other critical needs.

**Volunteer Generation Fund** supports voluntary organizations and state service commissions in boosting the impact of volunteers in addressing critical community needs.

**MLK Day of Service** observed each year on the third Monday in January, Martin Luther King Jr. Day is a federal holiday designated as a National Day of Service to encourage all Americans to volunteer to honor the life and legacy of Dr. King and improve their communities.

**9/11 National Day of Service and Remembrance** calls Americans across the country to volunteer in their local communities in tribute to the individuals lost and injured in the attacks, first responders, and the many who have risen in service to defend freedom since Sept. 11, 2001.
