Since 1994, more than 13,000 New Mexico residents have served approximately 16 million hours and earned education awards totaling more than \$37.1 million.

Notes: Data shown represents national service activity completed between February 23, 2024 and February 21, 2025. 1. Projects may be headquartered in other states. 2. The service location total may contain multiple counts of unique locations where multiple AmeriCorps projects operated. 3. Completed participants reflects all AmeriCorps members who completed service in New Mexico between February 23, 2024 and February 21, 2025. For AmeriCorps Seniors, this reflects all volunteers funded by grants completed during that same period. For AmeriCorps Seniors projects where 2024 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations. 4. The Education Awards figures represent the maximum potential value of Segal AmeriCorps Education Awards that could be earned by AmeriCorps members who completed service in New Mexico. 5. AmeriCorps State and National, Foster Grandparent, and Senior Companion federal funding reflects the estimated proportionate annual share of the federal grant associated with the participants in this report. This includes any awarded federal American Rescue Plan funding except match replacement. AmeriCorps State and National placeholder grants have been excluded from this report. For AmeriCorps VISTA, funding reflects the national average cost per participant. RSVP funding appears in the state where the project is based and reflects the full amount awarded to operate the completed grant. 6. Total local project support reflects non-AmeriCorps cash and in-kind resources that AmeriCorps grantees committed to raise in support of their completed grants. This includes any awarded federal American Rescue Plan match replacement funding.
