Meeting Needs in Utah

Last year more than 4,200 Americans of all ages and backgrounds united to meet local needs, strengthen communities, and expand opportunity through national service in Utah. AmeriCorps invested more than \$17.7 million in federal funding to support cost-effective community solutions, working hand in hand with local partners to empower individuals to help communities tackle their toughest challenges.

AmeriCorps members and AmeriCorps Seniors volunteers are preparing today's students for tomorrow's jobs, connecting veterans to services, fighting the opioid epidemic, helping older adults age with dignity, rebuilding communities after disasters, and improving literacy and graduation rates for youth from early education to high school.

AmeriCorps members and AmeriCorps Seniors volunteers served at more than 600 locations across Utah, including schools, food banks, homeless shelters, youth centers, veterans' facilities, and other nonprofit and faith-based organizations. Through a unique public-private partnership, AmeriCorps and its partners generated more than \$4.6 million in outside resources from businesses, foundations, public agencies, and other sources in Utah last year. This local support strengthened community impact and increased the return on taxpayer dollars.

Thousands of opportunities exist in locations across the country to serve with nonprofits, schools, public agencies, tribes, and community and faith-based groups. AmeriCorps VISTA places individuals with nonprofit organizations, public agencies, and tribal governments to expand reach and deepen impact in making sustainable change that alleviates the impact of poverty. Through fundraising, volunteer recruitment, program development, and more, AmeriCorps members gain experience and leadership skills that put them on track for a life of service in the public, private, or nonprofit sector.

AmeriCorps NCCC is a full-time service program that covers all costs of program participation, to include lodging and travel expenses, allowing young adults to serve on a team and make an impact in communities across the country while gaining valuable leadership skills.
